Deuteronomy 6:4-9

Hear, O Israel, the Lord our God is one Lord.

Thou shalt love the Lord thy God with thy whole heart, and with thy whole soul,
and with thy whole strength.

And these words which I command thee this day, shall be in thy heart:

And thou shalt tell them to thy children, and thou shalt meditate upon them
sitting in thy house, and walking on thy journey, sleeping and rising.

And thou shalt bind them as a sign on thy hand, and they shall be and shall
move between thy eyes.

And thou shalt write them in the entry, and on the doors of thy house.

Ps 119.133

*“Order my steps in
Your Word: and let no evil
have dominion over me.”*

Truly, truly, prayer is a wonderful tool for the soul. It can often appear to be routinely robotic to some people. We can change that into passion and power. In order to secure the fullest understanding of the true inner energy tool of prayer then, I desire to share my favourite routines of structure of prayer with you. I hope and pray that they will be a help to you and an everyday joy as they are to me for many years. I will outline only the basic structure of prayer here to share with you. After all it is being ignited now by the winds of the Divine Spirit to prepare us all to MOVE rapturously. You may find it beneficial to jump to chapter 7 on the “Real Light is Imminent” to give you some useful background if you are new to our spiritual studies, or have become slack in your mindset focus for your prayers, then move to answer the call from God to attend the direct link for the 120th Jubilee for Mankind with our prayers and praise focus.

We are preparing ourselves as the Bride Saints for the imminent arrival of the Bridegroom Messiah. So prayer is our beauty treatments. As always, each prayer opens up more winds / rains of the Divine Spirit in delights and awareness, most especially when used with the scriptures of the Bible. All prayers are enhanced by MOVEMENTS to vibrate the joy of God into praise. There are also many coded prayers and Bible words that release massive end times blessings beyond normal understandings and I have included some of these that I have found too. The creative movement of magnifying prayer begins from these basic tools in my own daily life. All my daily prayers are BS (Blessed in Salvation gifts, as Blessed Sacraments as I describe them) uttered in the Lord’s Presence and so sacred. So are your prayers also sacred if your mind sees that, and highlights that, as the reality of your prayers. Therefore these prayer basics are sacred to the degree that we permit them to be. It is not wise, or full of magnifying power, to allow

negative boredom into the prayer routines. That will be the extra blessing of your 'prayer closet' to be 'full' with God and not blocked by stodgy folks. One is always challenged by oneself to rise above routine boredom in prayer and to awaken to your inner passion renewed, and to the sacred movement of them. I find it a never ending joy to pray and pray I can help you with this too.

I surrender my prayers to the omnipotent Heart of God to take over the prayers in order to use Divine power magnifying through the prayers just like the freshening of renewed burning in our prayers.. You can listen to my CD about that which is called "Welcome to the Endlessly Worthy Heart Of God" (*available at www.magnificatmealmovement.com*). We are folks of divine movement within, and so our true prayers are a divine movement of peace and sweet passion from the Amazing Sacred Heart of God. This also gives a new power to our own heart too. By linking our prayers to the Heart of a Sacred and Omnipotent God then we are automatically doing our prayers as from "Immaculate Hearts" when they are united to such purity. Amazing joy flows once this is realised, and welcomed to then welcome God better - or as said in Luke chapter One - magnified for the glory of God!

This then makes prayer an exciting connection for those of us who choose to do this. We dial onto the very Heart of God with a direct Heart line using ancient prayers and our movements. Therein you can see the reason for the name of this little book written for my beloved friends. Just stop to imagine, as I do daily, the power of God's Sacred Heart gushing forth with fire, down the Almighty Arm, to connect to our heart line doing the dialling up! It is an exciting concept every time, for me to spark my attention to prayer time. It never fails to ignite my connection. It does distract me from other issues just to think of many ways to let my mind, and heart, and soul, and all the other bits too, to flow out in joyous ways to God. The mind of the soul directs our prayer focus. For this reason then, it is important to not let emotions, distractions and arguments be a clouding of this mighty opportunity to pray that we have. Only those with a soul can pray and connect like this, so we can be so thankful to be on this joy link-up like a divine tool. That is far better than any normal phone line!

Prayer is a tool to elevate and raise the frequency of the soul to the uplifting connection to God. It is an Elijah tool then, for Elijah was so vibrated by this passionate movement that it lifted him up and beyond the limitations of the material and physical Earth-body state. So great was the prayer movement of the Biblical Elijah that he could rise up to the divine connection with the Lord's Heavenly and earthly presence combined, in himself. Amazingly, so can we. For this reason I am eager to share this with you. As we approach the days of the prophesied Armageddon then, it makes sense to know how to use this uplift tool well. You may want to follow further in the study of that, and you can join one of our Workshops on "Armageddon and Passover and Praise" - (see the list of workshop dates at www.magnificatmealmovement.com - expressions of interest to mmmi33@bigpond.com).

Our entire life purpose is to awaken this powerful Elijah prayer uplift tool to connect in "Immaculate Hearted Oneness" with God. I am still learning this too, and you may be more awakened than I already. If so, then I desire this book to move in magnifying peace to you. For delightful prayer times of joy then, I love to be alone, or in nature. I often find I sing spontaneously all the prayers, even if out of tune. For me it moves to lift my prayers into happy modes of passion and commitment. Other times I love to pray and praise the Lord God of the Universe with others. And yet other times I may be the most distracted in nature environments to be lifted in prayer. It is a great joy to pray with like-minded souls, i.e. the friends of Christ. What sweet joy such dear beloved ones are to know! Although it may be that my prayer movement daily is rather imperfect by choir standards, or can be a disturbing buzz to others at times, it is my everyday joy. Each one must make the commitment to use the prayer tool personally to make the inner connection with the invisible but mighty God of everlasting joy. Joy and peace are the true charisms of prayer linked to God. Our faith is in a mighty God, even though invisible to most sight (2Cor 5:7). St Augustine said that, "Our hearts are restless until they rest in God" - and then we are filled with joy and satisfaction. Connecting in prayer to God is our complete peace and true restful joy.

["In the presence of God is the fullness of joy."](#)

“Dialling” God on your prayer Heart connection is not limited, except by oneself. God certainly does not limit it to a soul that is genuinely on the divine link-up of MOVING in the ways of God. Then that is the importance of finding the divine link-up - of obeying God regarding the divine requests. Once that is underway then the prayer is a delightful next step that we were born to take in this life. The Heart connection can then be awakened, and can grow in its mystical movement as you wish or allow. Prayer is an unlimited “soul-tool” that works divinely. It is well worth the choice, and persevering with its new growth. It is like the biblical story of Jacob’s ladder - to naturally step up in the ever magnifying growth steps of connection with the divine Heart of God, as we do when we pray. We are born to re-magnify the MOVEMENT of the prayer link, just like Elijah did when he made his dial-up connection, until it magnified fully in the air. Up went Elijah!

In these times of the Biblical ‘Tribulation’ of the Daniel timeline we need our prayer connection to be clear and unhindered. The challenge of living in such global tribulations can only be joyfully overcome through this oneness with God - direct. You can read more about the biblical teachings on the tribulation on www.magnificatmealmovement.com. The Book of Revelations, at chapter 13, states that we will be a rejoicing people of praise during this time. Naturally we will want to make a prayer-direct connection as we now live in Daniel’s 3½ years prior to the arrival of the Prince of Peace, the Messiah, on the Jubilee of the Lord. October comes! We will have much rejoicing in our hearts despite the challenges of the greatly prophesised tribulations with floods, plagues, betrayals, earthquakes, etc. We have been so blessed to come so far into it.

We have so many activities to do in our precious lives, and the most sacred, and innate, is the MOVEMENT of prayer and its correctly flowing connection of prayer. How we live our lives is like the “putting the cable in to the phone-connection” analogy. My family’s local business is involved in digging trenches in the dirt and then laying power and cyber optic phone cables, and laying down the cables for the connections to work. Is it then any surprise that this analogy of “Dial God” works for my mind’s way of thinking about prayer? I certainly hope that it makes sense for you to see where my logic is coming from on this issue of

prayer manuals. Starting off does involve some hard labour to dig away the dirt of old habits, and effort to get thing rolling, or “dialling”.

But remember that God is forgiving and eager to help the soul in the process, so keep on digging and persevering. The alternative is to condemn my somewhat crazy prayer analogy and do it another way. (It carries me into RAPTURE movements.) That will be okay too, as I will continue on my way just as raptured happily. After digging trenches in the dirt you soon see that the end result is not the concern of the dirt in the trenches, and the phone line conversations flow to suit themselves. So then, do not bother to give me feedback, but get on with your own results in your way of connecting to God in prayer for mighty conversations.

Saints are called to have independent and wise use of dominion; even more if you are enduring in the final 3½ years of the Tribulations. (See my blogs and CD's on this 'tribulation' issue too at www.magnificatmealmovement.com). We are divinely destined to rule over the universes with our Beloved Messiah. This is not moved successfully by force and wars, floods and plagues, and manipulations or any concern for approvals with others. The Bible has warned us to be a praying and praising people at this time. We do want to get the prayer connection on the same track as the true Prophet Messiah Yashua Jesus showed us.

This divine call of dominion is done exclusively with the tool of prayer as your direct and personal connection on the Heart line. It requires no appreciation of the “trench diggers” behind you, but your focus totally on the MOVEMENT of your own divine connection. Wow! It is excitingly personal for you. The most divinely passionate part for our hearts is to know that we will be the MOVING preparers to magnify the welcome to the Messiah Yashua for the reign of peace together ... or before blessedly! What a delightful reason to be a Spirit lead praying heart!

Praying is the personal tool to enable the saint to co-operate in the rejoicings of these times (as stated at Revelations 13) in the quantum dynamics of taking divine dominion of the entire cosmos in the “joy catapult” with the Mighty Messiah of Peace. Our “like-minded” MOVEMENTS, or lack of movement, impacts on all aspects of the cosmos ... everything! The gift to serve all the world

and cosmos with the tool of personal and communal prayers is the divine inter-connected weave to the God-mind - the personal pure and Immaculate Conception (Mind of Christ).

Our prayers are linking to the entire cosmos, as a divine Oneness, to magnify the “reign of peace” and the Heart of God Almighty through the magnifying souls. Wow and double wow! Once realised, this adds an amazing dynamism to our prayer tool as a divine connection-line that is totally personal and at your command. Time now to start adjusting your mind to this mighty Divine Heart Dial-up process, and let it be created and magnified further by your dear life and practice, and improve on it daily, just like Elijah did. It was personal for the biblical Elijah to rescue the spiritual unity of Divine uplift. However, it is worth noting that the Bible records this happened to him after the ‘rev-up’ of group prayer with the like-minded saints, who obeyed God with him. The finding of like-minded, obedient holy saints is a challenge at times.

When the Feast of Trumpet sounds on Oct 2/3 of 2016/7 then we will have many obedient saints with us as they rise from graves and land as biblically foretold at and as with the life of the biblical Elijah. Others will join us in the “Welcome Team Movement” to welcome the Messiah with a crescendo of praise for about 2 weeks (as revealed in the study we have done of the Book of Exodus about the ‘meal’/manna week, which reveals this timing exactly. Look at Chapter 7 of this book for some guidance on this).

There will be no need for a ‘rev-up’ then! In the meantime, we will need to be diligent in prayer, the obedient key of Sabbathing, and watching to hold fast with faith through many trials before that time. We all face daily trials of chaos, relationships, suffering, and struggles with unfortunate events, and they are continual gifts to challenge one. One after another the challenges of daily life are the opportunity to polish and pressure an inner MOVEMENT of change, and the personal MOVEMENTS of transformation. Unfortunately, many take these events and give up their faith, or move to other churches, relationships, etc., instead of finding the opportunity in prayer in the divine call to cosmic dominion with the Messiah Yahushua Jesus.

Though the “call” by the Creator to this has come in from the ‘ancient of day’, so many don’t take up the call, or ever make the effort to “dial” back with the use of the tool of prayer, due to distractions and lack of personal awakening or emotional ego issues. No wonder the Bible says to “Fear not” so many times, for we must persevere through digging out the old ways/dirt. I do hope this book serves to help overcome these with your free will choices. N.B. Many come along to steal, mimic and have accused the brethren of happily raptured saints of the Magnificat Meal Movement. So let me warn you that the only true website for our perfect Sabbath practice, teachings and blogs is as www.magnificatmealmovement.com (COM), as in Come quickly Lord Yashua Jesus. Be warned and on the correct connection then.

Most of the Earth saints no longer include effective prayer as part of their daily routine, but they may do routine things in prayer without a connection. I consider that to be the biblical ‘limp hands’ in prayer. Now you know why we include spurts of vigorous clapping in our praise and dance times. It appears that in many cases the rituals of prayer have not retained their sacred power or passions, in most religions too. This is what we need to avoid, and find the obedient path of being with the like-minded ones with the passion to worship God like Elijah and King David, etc. These ones will join us again on Earth fully on the Feast of Trumpets on October 3 in 2016/7. The passion of raptured praise magnifying the true Messiah Prophet only is given by God to the obedient Sabbath movers. So lack of prayer passion must be a punishment from God, along with the ‘tribulations period’.

Prayer stems from the concept meaning of “direction” to show that the mind concept must MOVE to make an active choice of directing the “dial-up” direction on the Divine Sacred Heart-line when reciting prayers. This “direction” is not hindered by inability to understand fully the words of prayer, but is hindered by personal mental choices, e.g. preference to worry and fear, refusal to obey Sabbaths, etc. God has given us very clear biblical directions about the Sabbath MOVEMENTS. You can also see from my various CD teachings on Sabbath, that the Sabbath is the key to the ‘meal’/manna people to definitely “know the day and the hour of the Messiahs Jubilee Return. (You can find the CD teachings on www.magnificatmealmovement.com. Make sure that you get

them from the correct website (.COM) or you will find the mimicking sites during the ‘terrible tribulations’ period will have downloaded my books, CDs, etc. and altered them to serve the demons of confusion and anti-Sabbathing. Be warned!)

We have found that for most obedient Sabbath moving people, the scanning MOVEMENT of gazing on some sign-word tools of prayer creates an effective dominion result. This is seen with such dominion sign-tools as ancient Abrahamic/Mayambra letterings of light, Gregorian tones of chant, prayer/meridian tappings/astrological signs as given in the Book of Revelations, communion sacraments of the mass, etc. You can learn more about these signs in my book “Gaze A Moment”, and also the book I wrote called “Meridian Tapping on Heaven’s Door” (both available from www.magnificatmealmovement.com).

Making the ‘dial-up’ to God in our prayers is not just the reciting of the words. Just reciting the prayer is not as fully successful in the “dial-up”. Prayer requires action/movement and speech, and conceptual linking with the divine cosmic Oneness of the Heart of Yahweh God, through the Spirit of God given to the like-minded to Yahushuah Jesus Christ, who kept Sabbath too. Sabbath keeping is such an exciting divine gift to our lives. When the prayer routines of MOVEMENT are faulty in mental commitment, or passionless (unmotivated), then the spoken words do not connect the prayer ‘dial-up’ correctly. Think of your Bridegroom. It is then a disconnected “call” between the prayer-person and the divine and the entire cosmic arena of Heaven’s throne if you don’t have a passion connection to your Divine Bridegroom in your heart. The phone line at our end is dead so to speak. It is up to us to study the ways of God’s directions, and MOVE to magnify that way, in order to bring the “line” into active connection on the God-waves. Sabbath keeping is the first step to laying that ‘cable line’. Also letting go of selfish mindsets is essential to welcome the Great Lover Bridegroom. This letting go of old emotions and thinkings then opens the ‘cable’ to the Love magnet.

During our meditation time we can look to be in an adoring mode of obediently Sabbathing as we connect passionately with, and within, the Lord’s Presence of Love – Sacred Heart –He is the Son of God and Son of Man named Yashua Jesus who did this surrender of love too. These adoration times are an opportunity to

choose to be focussed and passionate in concentration on the awesomeness of the divine Sacred Heart's Presence as the Bride-Saints' tool of connecting the prayer 'dial-up' line to Divine Oneness. This is certainly a time for our prayer and praise to be restored as time eager Bride-Saints. God gave an amazing further guidance for us to be ready in the biblical lesson of the EXODUS instructions, or the 'meal' or manna week. Listen to my CD's at www.magnifcatmealmovement.com for more on this 'meal' clue to allow ONLY the faithful servants to be able to "know the day and the hour" for air waves of raptures and the 'reign of peace' with our prophesied Bridegroom Messiah. This is the 'true love' we all seek and that can only be found in our beloved Messiah King Yashua Jesus.

This guidance is a personal choice to MOVE to focus in the mindset of divine adoration. Prayer without this concentration of mindset, the conceptual "mind of Christ", is disconnected from its divine source of the Almighty Creator. The words of Prayer are then the love-tool to channel the line for the 'dial-up' connection and are the soul's tool of prayer. The words of prayer, when focused adoringly in the Divine Presence, are the 'dial-up' cosmic connection. Our body of soul and spirit and flesh, is like the phone which needs the words and the power connector (God) to be guided together by the personal choice of mental and spiritual commitments of obedience (Sabbaths, 'meals'). So first then there is a need to restore the mind to eagerly offer true surrender as one would to any imminent Bridegroom.

Therefore, the words of prayer are the secondary tool needed for the 'dial-up' connection to God. One's mental and spiritual consciousness then uses the signs (e.g. words, chants, BS) to connect to the Lord's Presence of Light within. I call this the 'Immaculate Conception Connection' that must move creatively from the body like a "phone piece". I think often of the biblical story of Esther who spent much isolated time in her beauty treatments for her King Bridegroom. Our prayers of ADORATION are like the beauty spa for the Bride-Saints.

We admit that it is beyond our mental understanding how this works. Our faith is in God to do it and show us how. We must however choose to surrender so we simply then obey, as in the Bible, and reap the harvest of it by being ready as Brides. We are certainly harvesting MOVERS now as we pray and MOVE to the

Messiah's Jubilee harvest of 120 Jubilee for the Great Wedding Feast of October. We daily see the prayer results with specifically answered benefits and 'miracles'. The duality of universes - one universe concept is the knowledge of good and evil and the other is Life Reality - is shown by the characteristics of chaos and suffering of the Tribulation zone from the universe we currently live in on Earth, (most especially this will increase in this current 3½ year of 'Tribulation' period's final zone. That is the "knowledge of good and evil" universe on the Earth arena in its final stage. Through our prayers we aim to connect to the True Life Reality Universe, which is usually called Heaven, and reap the harvest of that. Also our prayers offer us the PS 91 safety net through the darkest final half of the 3 ½ years Tribulation.

The True Life Reality is the "Immaculate Conception" of God that we can connect to and will be our October Rapture life with the Messiah Bridegroom. The True Reality of the Immaculate Divine Conception of the Creator is obtainable, though it lies beyond the basic 5 senses of mankind and relates to the Spirit of God within. Prayer keeps our blessed divine spirit on fire and connected then in the 'Dial God Direct' mindset. It is shown as possible to be connected to the many Bride/female-like form vortex openings that also claim that identity of union with the Immaculate Creator, e.g. the vortex visitation at Lourdes, France by a female form describing herself as "The Immaculate Conception" in 1854. We can all heed the call to be the Brides of Christ the Bridegroom Messiah.

The universe of True Life Reality is one of a complete and biblically promised "reign of peace", and also the originator of pure marriage like joy and all healing. These will be the biblical restorations at the Messiah's Jubilee Day on the 120th Jubilee since the Covenant that God made to Adam. Though invisible to the human eye it is a real universe that 'calls' now, and eternally, to us for Oneness. This is not a man-made, one-world control by a divine and invisible one that links us through the true essence of peace. It is the Creators call waiting! Connecting to this Heavenly universe is much like the awareness of adopting the universe's reality of power Kings and Queens, Princes and Princesses, to care for all in creative Oneness with the Lord's Light Presence (B.S.). It will occur first at the cloud Rapture, and later more so at the Messiah's Catapult into the Heavens (Rev 12) that is described in the Biblical Book of 2 Thessalonians.

In the Oneness of such majestic Divine Light Presence then there is no room for chaos. Therefore evil and sin will cease. It is our time now to choose to clear our own trash sin. All darkness/disorder is dispelled away by the Light of Peace in Immaculate Love with the time of restoration at the 120th Jubilee of the Messiah Bridegroom. It is gentle, like a “mother’s love”, though sensational like a twinkling of the eye, catapult MOVING for us too. The Messiah’s Catapult from the Milky Way Galaxy and into the beyond is difficult to conceive for most. Simply put, the Messiah will be our Light, and we will be in it and so will go beyond the stars, etc. as we know them today. God will clear the way for the ‘beloved ones.’

D15.....26.2.2012

“With this greatness of love, . . .
It will wash away all that is not loving”
I will hold you

Be glad and rejoice.”

Peace reigned.
Change washed in.

As we consume and communicate with the Divine Light Presence then the chaos of the universe of Knowledge of Good and Evil decreases in proportion to the rate that we are raising our ‘dial-up’ connection of peaceful prayer, and so preparing the way for the Messiah’s Return via our own obedient and forgiven “immaculate hearts”. God Almighty then takes over and completes the prayer-focus connection of intention for us. This is due to the Oneness connection being consumed and communicated by the perfect link of Love and our

surrendering MOVEMENT to obey and truly love God. The connection then simply put is made between two hearts, i.e. The Sacred Heart and our now immaculate hearts as the partner to the Almighty connection.

By our prayer connection we can amazingly tap in, or 'dial-up', from the physical Earth universe of knowledge of Earthly Good and Evil through our "divine soul in obedience", to connect to the universe of the True Divine Life of Heavenly Reality. We are then in Oneness with the Creator in the incoming Messiah's restitution reality. Mighty exciting reality! It is the inner source of passion to my prayers, which then magnify in life MOVEMENTS, magnified in more light and Peace. In our prayers we are then living in Heaven's peace-realms, whilst still in the Earth confines to prepare the way to welcome the Messiah after the 'tribulation' ends in Sept 2016/7.

The ultimate passion's goal in our hearts is to connect in the Lovers' 'call' to God and to remain clinging on to the Creator . . . the 'dial-up' is online again, and is "Immaculate Peace", and a quantum and invisible peace that holds the universes connected. Wow! Prayer is a mighty gift opportunity for this 'dial-up' on a divine scale, and well worth sharing the celestial awareness. This awareness then enables the inner desire to 'let go and let God' bring forth awakening and then be ready for the Messiah's transformation after October. This connection will give to us, the obedient Bride-Saints of the prayer watch, the harvest of a restored and magnified Earth, through the Divine Light Catapult Rapture. We will not be whisked away as some still think. We will be taken up in the air, as told in 2 Thessalonians, to be with the Messiah of Light while the evil ones are wiped from the Earth. We will then receive the harvest of the restored Earth in a Heavenly manner as our biblically promised reward. "We are not leaving, but the evil ones are!"

"When you call yourself an Indian or a Muslim or a Christian or a European, or anything else, you are being violent. Do you see why it is violent? Because you are separating yourself from the rest of mankind. When you separate yourself by belief, by nationality, by tradition, it breeds violence. So a man who is seeking to understand violence does not belong to any country, to any religion, to any political party or partial system; he is concerned with the total understanding of mankind."

— Jiddu Krishnamurti

We are concerned about the total understanding of letting the only True Prophet Yashua Jesus Christ Messiah, and the Messiah's Jubilee, be done in the will and timing of God! When our limited Earthly mindset of Good and Evil controls, then the limitations of separation are unsuccessful and divided, and are a contrast to the divine Unity of True life Reality of Oneness with God. The total Oneness of prayerful communion with the Divine Light Presence of God Almighty then connects the prayer-person also as an "immaculate conception of the mind of Christ" with the Creator. God then does the uniting of hearts - the obedient ones! We tap in ('dial -up' from one universe of our heart to the other in Heaven's throne, and capture and create, hopefully benefit to the millions of people and ourselves) and connect into the 'reign of peace' line of raptured joy and praise.

"Set aside a place of prayer. Enter in and close the door"

This idea of the tool of prayer 'dial-up' often is in conflict with existing norms of spirituality, religions, communities, and emotions, which are reluctant to change. This negative limitation must not be our focus here, for the aim of this book is to help you do the Elijah type of 'dial-up' effectively in your prayers, in order to "prepare the way of the Lord" during the final half (3½ years) of the tribulations period of from March 2013 - September 2016/7 as outlined in the Book of Exodus, and also in chapter 7 of this book. Pray and ensure that you get your copy of it from the correct website (www.magnificatmealmovement.com), which is not a mimic or adulterated site. Any websites using our God-given name that end in .net or .org are not genuinely linked to the prophetic true zone with our elder, Debramarie Burslem. (The genuine www.magnificatmealmovement.com was started in April 2007 and updated in March 2012 PRIOR to the event in Israel of the 'false lamb of 2 horns' which occurred on 3.2.2013. (See chapter 7 for more details.)

Pondering on the life passions of the "mind of Christ" in each of us, as instructed by the female visitation of the Elijah spirit of the Mother of Carmel, at San Sebastian De Garabandal, Spain in 1961,, creates a passion to tap into the duality of both universes. Then we have the Heaven's kingdom reign of the eternal and everlasting peace life during the Earth life of suffering in Good and

Evil Reality of the final 'Tribulations'. The passion of the Christ's personal life demonstrates that one can live in the physical Earth body, with its suffering and challenges, and still be connected to the divine mindset of the True Reality of Heaven. We can do it too, for we have been born for the purpose of this time - to be the welcome MOVERS for the Messiah's Jubilee. What a time in October to be born for!

My prayer is always a joy and a happy lover's "cling-on" of the 'dialling' of God's Heart Connection that is always open. God never lets us, His Beloveds, down on this. My prayer basics are included here for all readers of this book to find this Heaven on earth existence of an elevated state of awareness and happiness, and to assist all readers to watch and be ready. October Comes!

Make your 'dial-up' and call God back, for the Creator is calling. Some of my favourite words of confirmation of prayer Oneness are below. They serve to be a daily confirmation that the Creator wants to connect with us and is always waiting for our "call". We are blessed for these times.

Ps 4.3

*"Know that the Lord has set one apart that is godly for Himself.
The Lord will hear when I call."*

Remember Princess Esther!

Be the Prince or Princess of the family of God on the Divine 'Dial-Up' with Your King of Kings and God Almighty! Remember to see that the heritage of linking to the King of all Universes is mighty, and so are you, despite your physical or mental condition so far. Remain firmly "dialled" in for the time is both challenging and brief (3½ years now).

Ps 5.1

"Give ear to my WORDS and MEDITATIONS. Listen to the SOUND of my call, My King and my God for I pray to you."

Awaken and rebuild a divine connection with the Divine Spirit connection for the Messiah's time of the 120th Jubilee Marriage Feast is so near to completion. It takes practice, so persevere and build up your beauty and acceptance of this blessed gift. You are like the line man labouring and laying the fibre optic cables now, until you realize they are already invisibly in place and waiting for your "call" as the Bride-Saints. So our prayers lift us from the dirt into the Throne Room of the King of Kings.

Jude 20

*"Beloved, build up yourself on your most sacred faith, praying in
Divine Spirit of God."*

Focus on awesome thanksgiving in praise in meditation and 'dial-up' for it is in obedient praise that we become more beautiful and draw the Messiah Bridegroom back to us/you.

Thankfulness is the key to this divine movement within you to be able to magnify out and up in vibrational power. Obedient Sabbathings are the fuel to the passion and joy that changes your attitude to be a Bride-Saint.

Phil 4.6

*". . . with THANKSGIVING in your mind let your request
be made known to God."*

Be of the joy of prayer and filled with the Light of unity with God's Heart for everlasting to everlasting, for the everlasting reward is galloping into your hands.

Dear Brothers/Sisters of God,

We are not human beings having a spiritual experience. We are spiritual beings having a human experience.- (Pierre de Teilhard de Chardin)

Yes, we are spiritual beings having a human experience - the body is just the physical existence, the frame or the vessel that encases our soul or spirit.

Jeremiah 1:5 –

Before I formed you in the womb, I knew you. Before you were born, I set you apart for my holy purpose.

Before we were born we existed in God. Our souls were created by him and existed in him. We came into this world for a purpose, and God has an individual plan for each of us in this journey of life. He is literally, as it says in

Rev 22:13

I am the Alpha and the Omega, the first and the last, the beginning and the end - the source and summit of all life.

Our spiritual life starts when we are baptised (initiated) into the Ecclesia of God - the Body of Christ. Through the waters of baptism we die to self and are re-born in Yashua Christ. The Spirit of God (essence of God) enters the soul, and the person is illuminated, becoming a “son” or “daughter” of Light, becoming “Light” itself. From then on each of us walks through life in a covenant relationship with the Father, through Yashua Christ our Messiah, who is - *The Way, The Truth, and the Life* (John 14:6). The Father leads and we follow. Throughout it all there is dialogue, communication, love, surrender, obedience and transformation - the process of deification - of becoming divine.

Prayer is an essential ingredient of this covenant relationship between God and man in Christ. It is the action of God and man, springing forth both from the Divine Spirit and ourselves, wholly directed to the Father, in union with the human will of the Son of Man, made Divine. It involves: - 1/Praise, Worship, Adoration and Fear of God. By fear I mean the acknowledgement of the

Awesomeness, Power, Dominion, and His Authority in love and balance. - 2/ Petition, Intercession, and Thanksgiving. The life of prayer is the habit of being in the presence of God and being in communion with him.

I remember first meeting Debramarie in 1993 because of my consuming heart's passion to serve God and to find better ways to pray. I played the piano during her childlike songs of praise and became captured by the joy of praying too. I was in search of God and prayer. Debramarie had it. I wanted more in my search for God. I felt that I was born for these times to search out, or 'dial-up', God, as she calls it. I have been dialling, praying and singing and shaking since then.

Man is in search of God. In the act of creation, God calls every being from nothingness into existence. We are, as it states in Psalm 8:5, "Crowned with Glory and Honour capable of acknowledging how majestic is the name of the Lord in all the earth". Even after losing, through his sin, his likeness to God, man remains an image of His Creator, and retains the desire for the one who calls him into existence.

God calls man first. Man may forget his Creator, or hide far from his face, running after idols, or accuse the Deity of abandoning him, yet God tirelessly calls each person to that mysterious encounter known as prayer. In prayer, the faithful God's initiative of love always comes first - our first step is always a response. As God gradually reveals himself, and reveals man to himself, prayer appears as a reciprocal call, a covenant drama. Through words and actions this drama engages the heart. It unfolds throughout the whole history of salvation.

God is the author of creation. Through Him all things came into being. He, himself, is the Lord of Heaven and earth. From one single stock he created the whole chosen people of God. We are his offspring - it is in Him we live move, exist and have our being. Everything operated in equilibrium until the fall of our first parents, Adam and Eve. When Eve gave into the temptation of Satan, thus enticing Adam to disobedience, sin and chaos entered the world. The harmony in which they existed was gone. The flesh lusted against the spirit - the bonds in which the soul's spiritual faculties ruled over the body were broken, union between man and woman subject to tensions, their relations henceforth tainted by lust and domination. Visible creation became alien and hostile to man. The final result of God's curse on man, due to his disobedience, is that he will have

to return to dust from which he came (Genesis 3:19-20). Death came into existence.

We don't carry any guilt of their sin, but do suffer the consequences of their actions. There once was a so called spiritual teacher, called Augustine of Hippo, who taught philosophy of "Original Sin", where he stated we carried the sin of theirs on our soul and it could only be removed by baptism. This teaching has affected some schools of thought in Christianity today. Common sense tells us we aren't responsible for the actions of those in the past and that we don't carry the guilt for their mistakes. This is just one of the many results of Chaos entering the world causing confusion, and enlarging the gap between us and our creator.

Since this fall there has been a journey of return to Divine Oneness to our Creator going on throughout history. At different periods there have been different messiahs and prophets like - Abraham, Isaac, Jacob, Moses, Elijah, John the Baptist, and finally having completion in Yashua Christ. Yashua came into the world in God's divine timing to conquer death, and bring about fulfilment and restoration. This is taught by Debramarie to be the soon return of Messiah. He established through his life, death and resurrection, the way to eternal life in God, giving all classes the hope of salvation, not just an elite few. There was a change in frequency resulting in an outpouring of God's love and mercy. In the Messiah, the jigsaw puzzle, which was started on the road to spiritual recovery, was made complete.

After the death of Yehushuah Jesus Christ, and throughout the centuries, his teachings were often ignored or eradicated, corrupted, manipulated, and added to, for the control and manipulation of the masses. In the third century, Emperor Constantine fused the teaching and structure of Christianity with Paganism for the "unification" of his "Empire" in the form of the Roman Catholic Army Church. As the development of this Church progressed through the centuries, others came through with their hidden agendas and false teaching thus adding more confusion, and bondage of the people. Even though we have had the Protestant Reformation (which was also subject to deformities), re-alignment to truth has not been complete. People were still stifled in their ability to connect with the "Immaculate Oneness" of God. The Mystical Body of Christ (the community of the faithful united in Christ) was still in a deformed state.

Now at this final time of the 3½ year current 'Tribulation' time in history there is a Divine alignment upon every living soul to bring it into the Immaculate Oneness of God. There is astrological activity in the Heavens, as outlined in the Book of Revelations, and an increase of "Light Presence" throughout the Heavenly cosmos. Everything on this Earth is undergoing upheaval and radical change. The old order of corrupted belief systems, and political/social/cultural/emotional/psychological constructions, are being challenged and destroyed. What doesn't exist in God, i.e. falseness, will destruct completely at the end of the biblical 'Tribulation' period as Debramarie teaches will be in September 2016/7. Everything in every living soul, and how it relates with God and others in society, is being shaken and purified during the tribulations now of floods, plagues, earthquakes and false leaders as told in the Bible. As it says in Scripture, the "silver is refined from the impurities". Put simply, God is making us face our dysfunctional state/condition with a last chance to get rid of the garbage, so we can take in the "Light" and thus be transformed and raptured in Adoring Praise. Prayer is an aid to help us through this and then God completes it all for the true saints of the Sabbath of the 'Wedding Feast' of Our 2 Hearts for the 120th Jubilee Party in Heaven's realm of Peace.

My challenge to you is to face your present dysfunctional state, whether it be in mindsets, beliefs, emotions, relationships, cultural indoctrination and improper/unbalanced behaviour. Overcome/let go of it and let the transformational energy of Light flow through you. Do and follow the advice given in Romans 12:2 - "Do not model yourselves on the behaviour of the world around you, but let your behaviour change, modelled by your new mind. This is the only way to discover the will of God and know what is good, what it is God wants, what is the perfect thing to do" (Jerusalem Bible). I know it is sometimes hard but if we do the prayer and spiritual study then we will be quickened by the inner Spirit. I heeded the teachings of Debramarie in the 1990's to commit to Sabbathing. It was not easy and condemnations for it were constant. I pondered it all and held firm to do it. It gave great power to change and overcome in my life from then on. So, in my own experience, the divine power imparted to Sabbathing has enhanced my prayer and strength of diligent commitment through the many trials. Go with the Divine flow of transformation during this

time period of the present 'Tribulation' period and thus obtain "Total Oneness" with your Creator.

Debramarie has taught us for over 20 years to be ready to MOVE and pray for this privileged time. The teachings about 'October Comes', and the Sabbaths and change of mindset have been challenging and restorative. I have observed many rejoice in them and be freed to move divinely in this time. I have also seen many run from these teachings of Debramarie with cruel accusations. Through it all it has been the joy of a prayer life that has sustained her and her passion to share for these remarkable times.

Prayer is a tool to elevate the frequency of the soul to uplifting connection to God. Debramarie, in this book, will show you how to connect to God also and be transformed. She writes in a style free from any outmoded religious style, putting it in modern day language, easy for anyone to understand, no matter what prospective you come from. Prayer takes time, love, practice, discipline, and joy. Most of all, it becomes a joy, as Debramarie has taught those willing to learn. Remember you are a divine creation set apart by God for a specific purpose in His plan to welcome the immanent joy of the Messiah's return. Rediscover through prayer your unique spiritual worthiness, identity, Sabbath obedience and relationship with God. Join and be connected with others who MOVE too, as we all travel on the "train" of glory together to rise up in the air and be restored in total fullness with Him at the coming of the Prince of Peace.

Why Pray

*“Prayer is not an old woman’s
idle amusement.
Properly understood and applied,
it is a most potent instrument of action.”
(M. Ghandi)*

The power of prayer is not new. Numerous medical and scientific researchers and religious teachers have published reports on the health and environmental benefits of prayer. We are a **‘movement of global community’** who use that prayer instrument of action that Ghandi and others spoke of as our power of divine movement. Yahushuah Jesus spoke of it too. We have the answers for us to get our prayer-line connected, and so need now to make personal choices on the prayer bridge about how to do it in a uniquely personal way.

Prayer acts as a bridge moving between universes and all physical entities. In the Dead Sea Scrolls of Isaiah, that were rediscovered at Qumran last century, we have confirmed, and learnt, that the wisdom of prayer is the bridge between realms. This taught us that each one, (not just the so called prayer experts), can see and feel the powerful movement of prayer as already accomplished. This is our **“Immaculate Oneness with God State of Thinking”** that we learn about in our global team worships. We discard the old prayer concept of lack and use our personal healing prayer as a moving bridge to the infinite possibilities. We also link with all the support crew of like-minded unity, both in the world and the mega universes, to lift our prayer consciousness back to its true origins, i.e. God.

We can use our prayers of unity to reconnect all souls to peace in readiness for the imminent **“reign of peace”** as prophesied in the Book of Revelations in the Bible. It is only when the chaos of stress of hurtful emotions creates violence and negativity that it explodes into a collective consciousness of war. As the level of stress grows we see a global focus on violence and wars etc. In fact, many avoid

watching the news as they claim that it is “all bad news”. However, in this movement of awakening souls, we encourage all to be aware of the news of the world and pray for its return to peace to override the evil of wars and sufferings with hostilities. Each one can be a prayer instrument of divine peace to quell the consciousness of stress and violence, wars and depressing emotions.

Previously we have learnt of the power to change water molecules through peaceful conscious application of thought (prayer). This was done by such scientists as Emoto. Changing the world can also be achieved by applying our prayer focus to the global issues needing a peaceful change of focus, to allow the King of Peace to take over. As we learn of the ‘bad’ news reports then we can move to focus peaceful thoughts (prayers) into the issues and change them. When enough people will use their prayer-power to **MOVE** in peace mindedness like God, then that will be applied to bring about the peaceful reign that all good souls want. As we apply our labours and prayer focus to move out with blessing benefits we do not need to see the results to believe it. We already know it is operating from each soul, though invisible, in a magnifying movement to feed all souls who are linked to the divine Heart of God’s way of thinking, with divine peace. Magnificat Meal Movement in action then!

What you think is possible, determines what is a possible MOVEMENT from you personally. When you allow your unruly emotions to rule then it creates a build-up of stress. However, when we quell our personal emotions and demands then power can move in our prayers. We are all still learning on that. The Bible states over 300 times the wisdom to not doubt, or fear, as it limits our focus to MOVE with the peaceful healing power of prayer. Prayer movement, well applied, transforms physical environments to be better and ultimately divine.

We have learnt to put a prayer focus into our cooking, meals (called prayers of grace), work, cleaning, office, walking, shopping, etc. This leaves a peace movement to linger on from our prayers to bring benefit to others in need. After all, we all are in need of the benefits of the peace and beauty power of prayer. Our prayer energy flows whenever our mind’s intention sends it. When the prayer focus moves without emotional contaminations, then it will achieve its blessing power to change with the power of God in you. **“Greater is God with you than all the evil and darkness in the world.”**

I have discovered, as I MOVE with dear family and friends globally, that people are located where they are as a result of fitting into different vibrational resonances/movements and emotions. My family and friends join globally with me to silently MOVE a blessing focus to energetically MOVE those vibrations to and from them for the fostering of peace and study of better ways to rebuild the divine link of peace to our souls. We focus our prayer MOVEMENT to enable all souls to be free and peaceful, if that is what they want too. Not all want that, and we must accept that, and that God honours free will, e.g. Satanists. I am fortunate to have many like-minded companion divine souls and holy locations, as well as the freedom, to do this “volunteer missionary work of **MOVING with** magnifying prayer” through our beautiful world. The greatest joy, and also power, of prayers for me has been in Sabbathing, with its many mysteries and ways.

We literally lift the prayer benefits to shift the energies of stress and darkness, etc. to magnify them to higher vibrational frequencies of **magnified MOVEMENTS** of balance and peace. We are called together to ‘prepare’ the way of the Lord Messiah for October 2016/7. Your prayers and mine have value in the plan of God for this. I love to teach all the things that God shows me. I am not a very holy person, so prayer is my greatest solace. The times of betrayals, accusations and tribulations have been constant, so the great need for prayer. I notice that prayer for help draws in the most divine and faithful friends to encourage me. I truly believe God shares His divine friends to help carry me on.

It is necessary to hold your own will and opinions and emotions in check then. When we are holding those higher prayer frequencies in ourselves then we are able to focus the new vibrational movement to expand out to others and locations. We are here to help each soul return to the energies of peace. We truly do have a divine partnership with all souls. We are not doing this work alone. We have all been called to ‘mother’ each other as co-operators with the peace charged work of:

Redemption - (return to fullness)
Meditation - (conveying benefits)
Advocacy - (assisting our God power)

Be the Master of Your Own Destiny

The Light Presence of Almighty God is always there in the soul, to be the Light to us, and never changes its focus for Oneness and Peace for the awakened saints. These prayers are the ones that I use to begin the plug into the Light Presence that we call prayer connections/movements.

When the Israelites (“Is-ra-el”- meaning: “people of the One True God”) were separately backed up to the Red Sea banks with the Egyptian Pharaoh’s army coming down upon them at the story of the second Exodus, they cried to God.

God answered: - “Why are you calling out to Me?” This was a coded message for us to decipher in these end times of current history of mankind. God’s answer was actually to spark the conscious awareness within the calling people of desperate prayer. They needed to personally awaken to the Light Presence of inner unity with God that they already possessed. They already held the divine power of dominion and brilliant solutions of their own peace within them, as God had already given this gift to souls. They needed to awaken that truth of inheritance that they had. Their mere prayer words were not from obedient or awakened souls in **MOVING** with that gifting of divinely created soul-power. They had the inner Light power to escape from the impending army, but needed to activate it. Words were a sign, but not enough if not connected correctly in the dial-up to God. Their prayer lacked connection as they had not awakened their divine inner Light yet. They did not require God’s assistance in reality, for they already had God’s power of dominion as their universe of True Divine Reality. The question from God then, was to spark them to realise it and awaken. God sends many such challenges to spark souls to awaken to the gift of divine light, and then the “dial-up” flows. God never answers prayers. We answer our own prayers by using the tool of the power of God’s Light Presence within. We need to know this True Reality, and use the divine power of the Creator’s force in the saint-soul we have been given.

Footnote: It has been my commitment to write this book for the last 4 years. For 3 of those years I travelled to Europe 4x each year to supervise essential building renovations, and giving workshops to some wonderful saints. I wanted them to be fully taught and ready for “October Comes” 2016/7 in the preparation for the Messiah’s Rapture and Reign of Peace. I then travelled to the Pacific to supervise the divinely provided work contracts, that were hugely financing the renovations in Europe, and give more spirituality workshops on this Tribulation period for praise, prayer and Holiness. It was an exhausting time of 18-20 hour days, but always with the satisfaction of being carried through it by the divine answer to prayer and the personal promise to share my plan of prayers daily for the use of my beloved friends and family. This past year has been a mastery of further demands, needs, debts, and challenges in Australia, with more work to help with that in the Pacific. At last the time of joy has come to have time to put to long hard pen writing, to finally complete this blessed personal commitment of this book, begun in 2008. Every task has been both demanding and a pleasure to serve, and part of the lessons. The need to pray the solutions through in areas beyond my capacity or skills was huge, so I had to use God-power more and more, and so that became the lessons too. The task of this book, “Dial God” Prayers, is the greatest joy of all, as it gives me the opportunity to share such a joy as prayer with you . . . just in time. Now it is clearly the better time to share then. It has also only been possible by the pushing, guiding, encouraging, typing, etc. of the most amazingly faithful ‘friends of God’, who came to my aid in the trials of 2011 and 2012. That has been a lesson in itself that has further propelled my renewal of passions for thanksgiving and lessons from their faithfulness like Christ’s.

The various personalised touches to these prayers have developed by the guidance’s of the mercy of the Divine Mercy for many years. Each year they become sweeter and my soul flies with greater joy in doing them. My profound thanks goes to an old neighbour, Richard Pratt of Melbourne, who provided me with some ‘gazing signs’ (old Hebrew letters of the Name of God) to add to my prayer times. Just gaze on these sacred symbols in the boxes for each day if you are too busy to do all the prayers. My father and Richard both passed away to the peace of God recently so may this also be a tribute to their patient and faithful sharing too. We all have so many joys to share with the souls of God’s heart-connected folks wherever it is the will of God to plant us like the flowers of the divine garden. This is especially so in the area of prayer which has our souls flying with like-minded saints for the movement of glory of the Name of God.

To all the like-minded, determinedly faithful friends of God in my life then, I can only pray to be more like you in love and service of God. You have inspired me to fly more in prayer and the joy of more service for the saints.

Fly high on the joyful wings of Prayer with the King of All.

of the Universes

be glorified forever.*

Morning Prayers

My Favourite Dawn Prayers

My Joyful Surrender Prayer–

I hear the voice of my Good Shepherd King.
The voice of a strange voice, I will not follow.
I surrender all my talents and plans
trustingly this dawn and day
that Your Will, my God,
may be done through me,
as your joyful servant.
I believe You will bring my thoughts
into agreement so that Your Will on earth alone
be with me, just as it is in Heaven.
My plans shall be established and succeed.
I am a mind of Christ now
with the Immaculate Conception Mind of God.
I am the Temple of the Divine Spirit of God.
I will hold the thought and plans
of Your Merciful and Sacred Heart
as my own.

You Can Quote Me

At dawn a negative force that resides in our lives tries to stop the saint from awakening to the new day. This negative evil is generated by our own negative actions from the day before. The Merciful and Most Sacred Heart of the Creator opens the door to a new opportunity to change and welcome divine transformation in the Light Presence again. By personal thankfulness I can help to rebuild and protect all the blessings that God flows to me.

I usually blow the trumpet (via my MP3 and sing this one below).

My 1st Prayer of the Dawn:-

O my Sweetest, Almighty God
You are the Eternal Sweetness to those who love you.
You are joy surpassing all joy and all desire.
You are salvation and hope of all.
You have proved that You have
no greater desire
than to be with me always
And I declare that I have no greater desire
than to be at One with You always.

I give thanks before You,
Living and Real King of my soul,
for returning my soul to me kindly.
Great is Your trustworthiness.
My name is with you (Debramarie – you put your name here)
Prince/Princess of Your Trustworthiness.

Blessed are You Lord, My God,
the King of the World,
who gives roosters the understanding to distinguish
between day and night.

You Can Quote Me

This is a most ancient prayer and uses the dawn crowing of the rooster as the sign of a thankful call to God for a new day - our great gift of free will to choose the light of the Creator over the darkness of negative behaviours.

We live in the reality universe of choosing between the Knowledge of Good and Evil.

By saying this dawn, crowing like a rooster, prayer we receive the answer of awareness of good versus evil throughout the day ahead. When I forget this prayer then I have less control of my negativity and even find that negative forces of others pressure me and hide the truth from me. It takes a lot of worthy discipline to pray this.

But it is very worthwhile.

My 2nd Prayer of the Dawn:-

Only Sweetest King of the World,
True Liberty of the Angels
and Paradise of Divine Delights.
Conscious of Your love,
I beg your Love to deliver me from enemies
and negativity of view and the temptations of hearing.
Bless my eyes and hearing to be God-like.

Ancient Prayer Code:-

Blessed are you
Lord, my God,
King of the World,
who gives sight to the blind.

You Can Quote Me

King David (Sheba Psuenes Dvt) said 'We have eyes but see not. We have ears but hear not.' It is so easy to be tempted by negative offers of chaos of soul or blind to good actions. This blessing empowers the perception of Divine love and wisdom so that the divine View of Divine Will is revealed in the day ahead.

My 3rd Prayer of the Dawn:-

O My Sweetest Creator and Saviour,
Creator of Heaven and Earth,
nothing can encompass or limit You.
Hold me in Your Loving Embrace and Power.
On the Wings of Love's Freedom
grant me the Grace of freedom to love
You more fully.

Ancient Prayer Code:-

Blessed are You, Lord my God,
King of the World,
who releases those who are bound.

You Can Quote Me

Imprisoned in life, in work, relationships, mortgages, careers, accusations, etc. can limit the Desire to be creatively joyful in service to God. These prayers offer a divine code for release from all bondage.

My 4th Prayer of the Dawn:-

O My Sweet Mercy magnified,
grant each of us awareness,
thankfulness and joy
that you have lifted us up.

Ancient Prayer Code:-

Blessed are You Lord God,
King of the World,
who straightens those who are bent over.

My 5th Prayer of the Dawn:-

O My Sweetest Mirror of Eternal Splendour,
say each day:
“Be with me daily in Paradise
Now and forever”,
for I am clothed in Your Heavenly
Identity and Reality.

Ancient Prayer Code:-

Blessed are You Our Lord,
King of the World,
who clothes the Naked.

My 6th Prayer of the Dawn:-

O My Sweetest and Beloved,
King of the World, Heaven,
and my Immaculate Heart.
You have strengthened me
in the midst of Your true Identity,
revealed in true and faithful friends.
Princes and Princesses of Yours are we.

Ancient Prayer Code:-

Blessed are You Lord God,
King of the World,
who gives strength to the weary.

My 7th Prayer of the Dawn:-

O My Sweetest Joy
And King of all Islands
on which we live in Your Joy.
You are an inexhaustible fountain of compassion,
safety and joy.
Inflame all our hearts
with the passionate joy of thankfulness.
Unite me with like-minded creations
in the perfection of peace and trust
as Your safe heritage of
Princes and Princesses of Your
Immaculate Safe Heart.

Ancient Prayer Code:-

Blessed are You, Lord God,
King of the World,
who keeps land over the water.

You Can Quote Me

I live on a volcanic island and so these prayers are a daily comfort to me and my loved ones.

My 8th Prayer of the Dawn:-

O My Sweetest Immaculate Conception,
You are the Heart and delight of my soul.
Grant us the grace to do the dance footsteps of praise (BS)
like the Jericho footsteps of old.
Provide my footsteps in Your Sweet Will
and keep me Jericho dancing with You,
King of the World
and of my heart.
Dancing forever with You
and now swirling my wheels of Light.

Ancient Prayer Code:-

Blessed are You, Lord God,
King of the World,
who provides for the footsteps of mankind.

My 9th Prayer of the Dawn:-

O My Sweet King,
Royal Virtue and joy of My Mind,
I unite with Your
original mind conception,
for I am so well provided for
in Your Immaculate Heart.
O Heart, Divine
Providence so sweet,
Heaven and Earth are revealed
and I thank You, My King of Kings.

Ancient Prayer Code:-

Blessed are You, Lord God,
King of the World,
who provides for all my needs.

You Can Quote Me

In the 'Our Father' condensed Prayer, this is simply said, "Give us this day our daily bread".

My 10th Prayer of the Dawn:-

Oh my Sweetest Strength,
as the Beginning and Divine End of all things,
You are life and virtue and strength
to me and my earth friends here.
Teach me the strength to keep
through pure love
Your commandments of Strength
to the True Children of Your Heart.
Lead us in this Strength
as a dear, dear way to
bring Heaven to Earth daily.
Guide me daily to always believe in you,
and trust in Your Love's Strength
forever and not my own strength.

Ancient Prayer Code:-

Blessed are You Lord God,
King of the World,
who strengthens the children of
God with might.

You Can Quote Me

The right to do the positive Good and the will of God-Goodwill is Godwill
and takes strength and determination and desirability.

My 11th Prayer of the Dawn:-

O My Sweet King of Splendour!
O Heaven and Earth combined daily
in the joy of You
with the joy of Your Spirit
in true friends.
You are the deep Abyss of Splendour and Mercy
that I hide in.
Hide me from the evil ones.
Forever I will trust in
the Splendour of Your Merciful Heart
that covers me.

Ancient Prayer Code:-

Blessed are You Lord God,
King of the World,
who Crowns the children of God
with Splendour.

You and I are the children of the King of Kings of Heaven and earth.

My 12th Prayer of the Dawn:-

O My Sweetest Creator,
You are the Mirror of truth
and the Immaculate sign of Unity,
the Everlasting Link of Charity to my soul.
You are the Divine Treasury
of every real good and every real joy of my days.
You are the Faithful Heart in me.
Grant me and my beloved friends
the joy of knowing faithfulness like you
through each other too.
We are united in Your Victory
and are never left wandering.

And I shall bless them.”

You Can Quote Me

I usually sing this one in my Gregorian chant or to the music of Vivaldi.

Prayers of the Night

Each day brings the gifts of trial with hardship and adversity to train us in perseverance. It leaves body and soul drained. Every night the soul rises from the confines of the body, in order to rise to the Heavenly universe of the True Reality of Immaculate Conception, for rejuvenation while the body sleeps. When the stars appear in the night sky the soul begins, in part, to leave the body, even if still awake. This can manifest in the sleepiness of fatigue. Feeling more drained than usual can be due to increased burden of wilfulness and negativity, or being in unwholesome or unworthy company. It is the Divine plan for aiding, spiritual rejuvenation needs that causes sleep to flood in. With sleep, the soul can escape the body for a brief period of time. It is wise to choose relationships wisely. However, when we praise God daily, and surrender in co-operative MOVES to the Sacred Heart of God, then it is normal for unworthy relationships to fade away anyway, without the need for action or prayer. Be at peace about this action that God takes for you, as it is not one that you need be involved in at all if the relationships are not of Godly benefit. The scriptures promise this, so let it be in the Hands of God as shown at –

Galatians 2:11-

*“I withstood him to his face for he was to be blamed.
He withdrew and separated from the brethren.”*

Our Prayers of the Night are often called the umbilical cord to the soul that ties it to the body so it can find the body space/“vessel” it left during the time of sleep.

Death is a purification process that decreases the ego, and the bodily will of selfishness, and provides the opportunity to feel unity with the Creator.

Ps 134.1

*“Behold, bless the Lord
All you servants of the Lord*

*Who by night
Stand in the house of the Lord."*

The Prayers of the Night are ancient in their long use and have many of the characteristics of both the 'Examination of Conscience' and the 'Pater Noster' prayers that we learnt as children.

As these Prayers of the Night flow into our reflections and meditations, then the negativities of the day flow up to be dealt with. Negativities of the day block the soul from lifting to the Heavenly Realm and away from the bodily form. So now is the ideal time for this natural observation/examination of self. We ask for forgiveness from all our transgressions that add blockages to the Divine Uplift that occurs during sleep time. Spiritual forgiveness then let's go of anger and bitterness, or they will fester and bounce back like a boomerang (through others) to impact and block the soul further. I think we have all experienced some of that in life. The Prayers of the Night, and the examination of negativity, also offer the added benefit to deflect unworthy friends and relationships away from harming our precious soul by surrendering our heart into the Heart of God. Do not be concerned then, if those who are not worthy of being your companions seem to avoid you. It is a benefit. So say thank you and grieve not.

My 1st Prayer of the Night

Ancient Prayer Code of Night Surrender:-

For the sake of unity
between the Sacred One and the Spirit,
with fear and love,
to unite the Name of God
in perfect unity,
and in the name of all the children of God.

I hereby accept upon myself His divinity,
Blessed be He,
and the love of Him and the fear of Him.
And I hereby fear Him for being great,
He who reigns over everything.
Before Him, everything is insignificant.
I hereby accept His Sovereignty over each organ and sinew
of the (248 male, 252 female organs) and 365 sinews
of my body, with lower spirit,
with my sacred name of soul as a complete
and perfect sovereignty.

And I hereby declare myself a servant of the Lord,
Blessed be He.
May He, in His mercy, allow me the privilege of serving
Him whole-heartedly
and with a willing spirit.
Amen Aleph so may it be His Will.

Ancient Prayer words of Moses:-

Master of the Universe, I hereby forgive and pardon
anyone who has angered me or irritated me
or sinned against me in my body, my money,
my honour, or anything else that is mine;
Whether by force or willingly.
Whether by mistake or wantingly.
Whether through speech or action.
Whether in this life or any past life,
or from any of the children of God,
and may no-one be punished on my behalf.
May it be Your Will, My God,
that I will not sin again.
And any sin that I have already done before You,
erase with Your bountiful compassion,
but not by means of suffering or evil illnesses.
May the words of my mouth
and the thoughts of my heart
be favourable before You, Lord,
My Rock and My Redeemer.

This Ancient Night Lifeline Prayer enables the soul to leave the body for Heavenly rest, and acts as a spiritual 'lifeline' to bring the soul back to the body. It is the lifeline between body and soul. Every negative movement invites negative spirits to join us and be the cause of all that is tragic. These prayers are to magnify the removal of negativity.

Blessed are You Lord God,
King of the World,
who causes the bonds of sleep to fall upon
my eyes and slumber upon my lids,
and who brings the light of sight
to the pupil of my eye.
May it be pleasing before You, Lord, my God,
that You may let me dream in peace
and make me rise to a good life of peace.

Phil 4.7

“The peace of God
which passes all understanding
shall keep your hearts
and minds through Christ the Lord.”

Give to me Your Promises that I may do
Your Will and not transgress.
Do not lead me to sins, trials, or shame.
Let good thoughts govern me.
Do not let evil thoughts control or frighten me.

Enlighten my eyes to shine You.
Blessed are You, Lord,
who illuminates the world with Your glory.
The pious shall MOVE in glory
and sing joyously on their beds,
magnified praises of God in their throats,
(bless the throat)
and a double edged sword in their hands,
(bless the hands).

that You may give me my partner
in Your Word.

And accustom me to observe Your commands
and not accustom me to sin.

Do not lead me to sin, temptations or shame.

Let the good thoughts guide me
and do not let evil thoughts control me.

Save me from evil thoughts and evil illnesses.

Do not let bad dreams frighten me.

Let my bed be complete before You.

Enlighten my eyes lest I sleep a sleep of death.

Blessed are You, Lord,
who illuminates the whole world with Glory.

Missionary or Priest Evening Blessings to the Congregation:-

May the Lord bless you and protect you.
May the Lord shine His Face upon you
and be gracious to you.
May the Lord turn His Face towards you
and give you peace and joy forever.

Psalm 91 Response: (sung)

I am one who finds refuge in the Supreme One
and dwells in the shadow of El Shaddai.
I say of the Lord:
You are my refuge and my fortress,
My God in whom I put my trust.
You shall rescue me from the snare of traps
and from destructive negativity that lurks.
You shall cover me with Your Pinion
and I shall find refuge under Your Wings.
Your truth is a shield and an armour.
I shall not fear the terrors of the night,
nor the arrows that fly by day,
nor the pests that move in darkness,
or the destruction that strikes at noon.
Though a thousand will fall at my side
and ten thousand at my right,
yet they will not touch me.
I will but observe all that the wicked receive
because You are My Lord, My Refuge,
and the King of Kings.

The Night Tapping Chant

All our negative actions and movements have a residue or biofilm on our body and mind. Recite the following chant whilst using the ancient tradition of tapping the chest and meridian points of the body in order to cleanse the negative remnants and restore Oneness. (See the “Meridian Tapping on Heaven’s Door” ebook available at www.magnifictmealmovement.com).

Even if you did not act in the ways of negativity then still say it for the souls of the world to find peace and Oneness, for we all act as guarantors to others and magnify the Divine Spirit to all and to past lives. (Therefore it is chanted in the plural.)

We beseech you Lord, God of All,
may our prayer come to You, O King,
for we are not arrogant and stiff necked,
to say before You Lord, Our God and King,
that we are righteous and will not sin.
We have sinned, done iniquity and transgressed.
We, and our fathers, and our households.
We betrayed, forgive us.
We stole, forgive us.
We spoke gossip and evil, forgive us.
We convicted, forgive us.
We were wonton, forgive us.
We accused falsely, forgive us.
We lied, forgive us.
We were angry and sad, forgive us.
We mocked and rebelled, forgive us.
We gave contempt, forgive us.
We committed adultery, forgive us.
We have oppressed, forgive us.
We were stubborn and wicked, forgive us.
For You are righteous and true.
Blessed are You Lord God, King of My Heart.

Nightly Memory Psalm (Trash Out : Blessings In)

This most blessed Psalm is coded to stimulate the memory to achieve the personal **MAGNIFYING MOVEMENT** of the spiritual purpose we came into this world to do.

Have mercy on me Lord God;
in Your compassion and mercy
wipe away all my transgressions.
Wash them away and purify me of evil
because I know my sin is before me always
and I am eager to remove it.

I now desire the cleansing of truth
and You shall whisper wisdom to me.
Purify me and bless me.
Make me hear joy and gladness
so my bones may rejoice in blessings.
I shall be whiter than snow.
Create for me a pure heart.
Renew a blessed spirit in Me.

Do not cast me away from your Presence.
Do not withhold Your Spirit from Me.
Restore in me the movement of joy
and uphold me forever with Your Spirit.
Then too shall I teach others of Your ways
and souls may unite in the blessing of returning to You.

O Lord, my heart and my lips shall sing to You in praise.
You are my shield from all troubles.
I am surrounded by the chorus of songs

of my deliverance from evil trash (trials).

Inform me now and always of the path of true life.

In Your Presence is the fullness of joy.

At Your Hand is blessing forever.

Blessed are You O God, Lord, and King of the World,
for the time has come for evil to cleanse
and blessings to redeem me, Lord, true God.

Other Prayers

Key to Prosperity Blessings

God gave us the prosperous blessings of sustenance. In order to access this power of prosperity then we must acknowledge that all we receive, is on loan from the Creator. Only satan conjures up lies, that we are the controllers of our prosperity. We focus our minds on receiving blessings by tithing and offerings as a sharing MOVEMENT. Focused meditation during tithing, giving and prayer is the key itself to draw in the blessings of prosperity that we need. If not focused, then repeat. Open your hands to receive and lift them up.

Tithing Psalm:

Blessed are You Lord God, King of the Universe,
who nourishes us in Divine Goodness.
for with grace and kindness and mercy we are sustained.
Divine nourishment and kindness is eternal.
Through Divine Goodness we have never lacked
and may we never lack forever.
For the sake of the Divine Great Name of God
let the Prosperity Blessings flow in me.
You have opened my hands to receive every good thing
and a heritage of desirable satisfaction.
Blessed are You, Lord God,
who has provided for me, me, me
that I may provide for Thee, Thee, Thee,
forever and forever.
Forever in joy and peace we move in blessings abundant.
Let the peace flow, for all the good of God
is done for us, to be ready now to receive.
Jerusalem will be built with mercy.
Safeguard, O Lord, Our Peace.

Releasing the Fire of God, the King of Kings, in My Life Today

Join in this powerful prayer that I use daily. Be blessed. Release the Divine Fire of God.

Prayers Releasing the Fire of God

Your throne Oh Lord, King of Kings,
and of my heart, is like a fiery flame.
You are the Almighty God that answers by fire.

A fire goes before You God and Lord
and burns up Your enemies.

Lord, release Your divine and almighty fire
and burn up the works of darkness.

Baptise me with the Divine Holy Ghost
in fires of Your Peace and Love forever.

Let your Perfect Love's fire be in my hands
to heal the sick and cast out devils.

Let Your fire of MOVEMENT magnify glory
and burn in my eyes, my heart, my belly,
my mouth and my feet.

Let Your fire be in my tongue to preach
and prophesise and teach.

I receive the true biblical tongues
of fire of the faithful apostles.

Let Your word be preached with fire in my life,
that I now commit fully,
to magnify Your glory humbly
with my every MOVEMENT.

Make me a minister of fire,

as the channel of Your Peace forever,
and as the purpose of my life.

Deliver me with Your Almighty fire MOVING in me.
Let Your fire protect me,
and cover me and my family and all I pray for.

I declare release for the fire of God
to burn up the idols of the land.
Let the work of witchcraft and occultism
be burned in Your God powered fire.

Purify my life and heart with Your Fire of love and peace
that I may MOVE in faithfulness.

Let Your fire be released in Zion,
the city of my heart and mind
as in Your Beloved bride, Lord, my God.

Let the spirits of lust and perversion
be destroyed with Your fire from this world.

Release Your Spirit of burning Passions
to burn up the works of darkness.
Let Your Omnipotent flame burn up the wicked spirits.
Let Your glory kindle a burning,
like a burning of a fire,
and magnify You alone, O God.

Shower lightening down Your arm,
like a flame of devouring fire
with scattering tempest and hailstones,
to destroy evil and protect me and my family
and affairs from evil intenders.

Drive them away from us and keep us
under Your Mighty Wing,

for I am Your Child and I keep Your Sabbath wishes.

Let Babylon, and evil companions of Babylon,
be a stubble and no longer in my presence.

Let Your fire burn them.

Let them not be able to deliver themselves
from the Omnipotent power of Your flame.

Lord come and rebuke Your enemies with flames of fire
and save us from the evil lurking about this world.

Let all flesh see Your fire released
and speak of it to Your Glory.

Confound my enemies and evil intenders
forever from this day forward
for I place my trust in You alone.

Create upon Zion, the city of my soul and heart,
a flaming fire by night to worship You.

Let the fire of Your presence be released in my life
that I may magnify You in my every MOVEMENT.
Let demons be exposed and cast out with Your fire
and from my presence too.

Release Your hot thunderbolts against the enemy
that I may MOVE in freedoms of Peace.
Cast forth lightning and scatter the enemy.

Let Your Light's Presence be for a fire,
and your holy Arm for a flame,
to burn the briars and thorns of my life.

Be magnified in me O Lord God, King of Kings and
of my immaculate heart, hidden in Your Heart now forever.

Amen-Aleph

Prayers to Command the Morning, the Day and the Night

Join in this powerful prayer that I use daily. Be blessed.

I command the morning,
in Yahweh's and Yahushuah Jesus' Names,
to take hold of the ends of the earth
and shake the wicked out of this day
for my family and friends, and all we pray for today.

I will have the dominion promise of God Almighty,
King of Kings,
over the devil in the morning,
and this day before me,
so that I may magnify God throughout this day.

Lord, make the outgoings of the morning
to rejoice and praise God alone.
I receive in Your loving kindness every morning.
Release the beauty of Your holiness
from the womb of the morning to bear glory,
blessings and peace to me
and my family and all that I pray this day.

Let Your Light break forth in my life
as the morning of revealing Your Light Presence.
Let Your judgments come upon the enemy morning by
morning to set us free from the lurking evil of darkness.

Lord, my true God and King of Kings,
Your going forth is prepared as the morning,
and I pray that you will come as the rain of blessing,
the latter rain and the former rain upon the Earth,
to shower before us the blessings of the Promise You gave.

Lord God, rain down more blessings on me

so that I may MOVE with Your perfect Heart.

Rain Your blessings down on me.

Lord God, you visit me every morning and
awaken me morning by morning as a new gift.
You awaken my ear from You, as my only Guide,
to hear as the learned apostles.

I will not be afraid of the arrow that flies by day
or the terror that comes at night.

Lord God, You pour forth your salvation
in my life from day by day, just as You promised.

I bind the screeching owl in the name of Jesus Yahushuah.
I bind any evil attack, or evil companions, upon my life,
at any time, in the Name of Jesus Yahushuah.
I take authority of Your Name in the Tetragrammaton
over every demon that is released against me
and my family, and banish them forever from us.

Let the evening tide trouble the enemies
that would attack my life,
in the name of Jesus Yahushuah,
and depart them away from me and mine
and all I pray for now.

I bind and rebuke every evil spirit
that would creep against me at night.

I bind and rebuke the pestilence
that walks in darkness.

I will rest at night because the Lord
gives me sleep and peace in all my ways.

Let your angels guard and protect me at night.
Lord, give me deliverance in the night season.
Lord, let my dreams instruct me in the night season.

Your song shall be with me in the night.
I will meditate upon you in the night watches.

I receive your knowledge in the night.
I receive your faithfulness every night.

I bind and rebuke all incubus and succubus spirits
that would attack at night in the name of Jesus.

I bind and take authority over all nightmares
and demonic dreams at night in the name of Jesus.
Releasing the Sword of the Lord
to bring forth the United Victory
of Your Reign of Peace.
I release the sword of the Lord
against the powers of hell in the name of Jesus.

Gird your sword upon your thigh
and ride prosperously through the earth.
Let your enemies fall by the sword.

I release the sword of the Lord against Leviathan.
Send your angels with flaming swords
to fight my battles in the Heavens.

I release the two edge sword to execute judgements
written to release the full promises of God
to my life and those that I pray for.

I release the sword of God,
and the Name of God,
out of my mouth against the enemy of God and us.

My lips will forever speak release
and deliverance to the glory of God.

My soul magnifies the Lord God, King of Kings,
for salvation and release of blessings
to flow and MOVE now with me.

Amen-Aleph

Historically two candles are lit for the Sabbath. The first candle represents “Keep”, and the second “Remember”, which are the first words of the commandments concerning the Sabbath. Real Light is Imminent

Is 46 9-10

“Remember the former things, those of long ago;

I am God, and there is no other;

I am God, and there is none like me.

I make known the end from the beginning, from ancient times, what is still to come. I say, ‘My purpose will stand, and I will do all that I please.’”

Hidden mysteries are unfolding now. Just as the biblical Book of Daniel details in the mystery codes of the 70 weeks of a mystery coded timeline, we are now into the final stages/days of this amazing timeline. The True Covenanted Friends of God expect to know and be ready, and recognise the Daniel coded timing of Christ’s return for the ‘reign of peace and light’. We have studied and prayed for many years to be ready for this time of Real Light with the Messiah. We came from many different religious cults, e.g. Roman Catholic. We had to study and find the true ways to obey God in order to be ready for the Real Light of God. The real light will rapturously shine for the 120th Jubilee celebration for mankind. We have come to the pinnacle of our studies of the 120 Jubilees of God’s plan for mankind and now are in the joys of surrender and partying time.

The finest of our divine Spirit moving as immaculate heart’s MOVEMENTS to surrender to God is discovered in our prayer life. The (real light of) passions of our hearts now show themselves. Some will have a passion for praise of God and others will choose other passions to fill their hearts. You are reading this Magnificat Meal Movement prayer manual and rejoicing in the realities of divine passions of prayer due to the passion choices of your heart, which is already surrendered to God and the imminent Messiah. The prayer link from our own “immaculate hearts” to the “Sacred Heart” of the Messiah Yahushuah Christ (Jesus) is acting like a divine magnet to welcome the imminent return of the Second coming of our beloved Messiah to this planet.

It is therefore essential that our prayers are correctly and joyfully linking just like the great and ancient prayers of the past saints. Freedom and rejoicing is bursting forth from our prayers of the linked Hearts now. Our “deserved reward” is coming, for our unity of obedient hearts matches the Sacred Heart of God and the divine cause of God and the plan of God. We have come to the end of the

divine plan of the 120th Jubilee year for mankind. So we have so much to be thankful for that we have been born to co-operate with this Heavenly time of Adoring forever in the Real Light Presence. Recently I laughed to see a movie called 'Aliens'. Many will say that the 'aliens' have taken the raptured Sabbath saints who will be gathered for the Wedding Feast Jubilee who pray these prayers, and keep these sacred Sabbath celebrations.

We were not raptured before the beginning of the Daniel timeline 'tribulation' period of 9.10.09 so that we can be tested and purified of heart. It is true that the 'tribulation' testing period has been hard simply due to our own sinfulness. We have come so far to the midpoint of the 7 years of 'tribulation' and are still not perfected into "immaculate hearts": So we have more 'trash' to deal with. Therefore our prayer life is even more important to get ready to prepare and welcome the Messiah at His Coming.

In 2002 I was accused by a barely dressed journalist of being "a fair dinkum alien since you do the holocaust Sabbath stuff." In our freedom of Light and prayer we can indeed laugh and rejoice for we have the same Sabbath cause of the Messiah Yashua Jesus in obeying God Almighty.

Ps 35.27 -

*"Let them be freed and rejoice,
who are in sympathy with my cause and say,
'Great is the Lord, who gives His servant a deserved reward . . .
and sing praises all day."*

Sabbathing and the Heart of God is our 'cause'. Many have come and gone from our midst simply over Sabbathing or heartlessness. Still we found that our prayer life of ADORATION carried us through the many tribulations into divine joyful freedoms of God. We are making steady progress in our global testing times now. Our Sabbathing and prayers of faith are so precious.!

2 Peter: 1-21 -

*"Simon Peter, a servant and apostle of Jesus Christ,
To those who, through the righteousness of our
God and Saviour Jesus Christ,
have received a faith as precious as ours:
Grace and peace be yours in abundance through the knowledge of God
and of Jesus our Lord.*

His divine power has given us the “deserved reward”
of everything we need for a godly life through our knowledge of him
who called us by his own glory and goodness.

Through these he has given us his very great and precious promises,
so that through them you may participate in the divine nature,
having escaped the corruption in the world caused by evil desires.
For this very reason, make every effort to add to your faith goodness;
and to goodness, knowledge; and to knowledge, self-control;
and to self-control, perseverance; and to perseverance, godliness;
and to godliness, mutual affection; and to mutual affection, love.

For if you possess these qualities in increasing measure,
they will keep you from being ineffective and unproductive
in your knowledge of our Lord Jesus Christ.

But whoever does not have them is near-sighted and blind,
forgetting that they have been cleansed from their past sins.

Therefore, my brothers and sisters, make every effort
to confirm your calling and election.

For if you do these things, you will never stumble,
and you will receive a rich welcome into the eternal kingdom
of our Lord and Saviour Jesus Christ.

So I will always remind you of these things,
even though you know them and are firmly established
in the truth you now have.

I think it is right to refresh your memory as long as I live
in the tent of this body,

because I know that I will soon put it aside,
as our Lord Jesus Christ has made clear to me.

And I will make every effort to see that after my departure
you will always be able to remember these things.

For we did not follow cleverly devised stories
when we told you about the coming of our
Lord Jesus Christ in power,

but we were eyewitnesses of his majesty.

He received honour and glory from God the Father
when the voice came to him from the Majestic Glory,
saying, “This is my Son, whom I love; with him I am well pleased.”

We ourselves heard this voice that came from Heaven
when we were with him on the sacred mountain.

We also have the prophetic message as something completely reliable,
and you will do well to pay attention to it,

*as to a light shining in a dark place,
until the day dawns and the morning star rises in your hearts.
Above all, you must understand that no prophecy of Scripture
came about by the prophet's own interpretation of things.
For prophecy never had its origin in the human will,
but prophets, though human, spoke from God
as they were carried along by the Holy Spirit."*

So this book serves to refresh our memories in the path of prayer that we need. The key sign of this final stage of history for the completion of the time of mankind's covenant with God has been seen as the "restoration of Israel". The scriptures are now leading us clearly in both ancient prayer modes, and the last steps to welcome the Messiah for the "Wedding Feast" celebrations of the restorations of our 2 hearts ie God "Sacred Heart" and our inner "Immaculate Heart" within the soul as we MOVE towards fullness of unity... The "Wedding Feast". It is also called the Sukkot Feast in Hebrew.

2 Tim 3 16-

*"All scripture is given by inspiration of God,
and is profitable for doctrine, for reproof, for correction,
for instruction in righteousness."*

So therefore, we all can rejoice to know that there are no idle words in scripture. Every discovery in our spiritual studies has been exciting, and very biblical too. It has further enhanced my prayer life with sheer thanksgiving and adoration of God. It has also sent me hunting for more secrets from the Word of God to the "beloved ones". I diligently serve as a volunteer to help others in their spiritual study and prayer especially in these tribulations times. It is a sacred purpose of my life after my purpose of precious daily prayers of the morning and evening. So it is a great joy to share them with others who diligently do the same. There is no force to do it – after all we have seen many come with 'shallow roots' and refuse the diligence needed for such prayers and Sabbathing.

Biblical lessons on the evenings and mornings of God's timing are also both biblical and part of the mystery for the obedient ones seeking to be diligent of the Covenant with God. The discovery of our spiritual studies of the day timings has enabled us to uncover the timings and days of this imminent celebration. In the

annual celebrations of the Hebrews this imminent celebration of the 120th Jubilee is called the “sukkot”. We have ‘a call waiting’ to bring our prayers to the fulfilment of the crescendo of divine Heavenly celebrations. Covenant keepers of Sabbathing have truly received a Heavenly Invitation/call. My friends and I built a little timber gazebo with the word SUKKOT on it in 2001 to remind us all to keep our prayer focus as Covenant Keepers for the Jubilee. An archaeologist friend called Ron Wyatt, (since deceased) had suggested it to remind us to remain Sabbath keepers.

In the Bible’s Creation Week’s storyline is revealed more of the stages leading the humble and obedient ones to be like the “wise virgins” of the Bible story, so that we can be ready to uncover the hidden mysteries of mankind’s Covenant further to prepare the way for the imminent return of the Messiah Bridegroom of our United Victory of Hearts. We have been called to restore our hearts to be “immaculate” for our beloved Messiah Christ. What great joy this is in our prayers and every MOVEMENT. No wonder the Bible calls us to be full of prayer “all the daylong!”

Moon phases, with their biblical focus, were an exciting study of many new mysteries uncovered in our studies over many years for the timings for this “rapture” of the “immaculate hearts” that are united to the incoming Bridegroom stages. It also heightened our role to self cleanup to be ‘immaculate brides’ for God.

Then, we have, for so many wonderful years, enjoyed the prayerful fun celebrations of the Sacred Sabbath biblical Feasts. They have been like a fun way to play act out the preparations for the great 120th Jubilee celebrations of the return of the Messiah in our lifetimes. How can we not explode with the joy of thankful and worshipping MOVEMENTS of praying!

We have now been so blessed to be the folks studying to magnify the “meal” secrets of the Bible for nearly 30 years. And within the “meal”, or called the “manna” in Hebrew in the Bible, is hidden the exact dates and hours for the obedient Covenanted ones to use now at this time. The Bible tells that the

obedient and faithful ones (the “prophets” linked to the Messiah Prophet) will be able to know the plans and timings of God before they occur, and that others will not have the right or “immaculate” heart to heed these dates. Our hearts are now linked prayerfully to the great Sacred Heart of the Messiah prophet of Yahushuah Jesus Christ - the one chosen by God to lead us prayerfully into this celebration’s raptures, that is, a Heavenly Jubilee. Our prayers are the urgent channel to work on purifying our hearts completely to welcome the only real Prophet of Light and Peace – Yashua Jesus the Messiah.

Many years ago in the 1990s, I named our international teaching room in Helidon Australia as the Jubilee Room. My friends and I painted it in the colours of blue as the sign of the blue of the air that we would rapturously rise into with the Messiah at the final 120th Jubilee. We designed long blue prayer choir gowns like the choir of Pastor Ron Kenoly of the USA. We gathered eagerly and with joy so many times then to learn and study more about the Jubilee for the 120th and the sequence of counting jubilees.

In that Helidon Jubilee Room we have continued our focus in prayer and study on the “Meal”/manna to lift us into divine realms from the trials of everyday life, and as our witness to wait upon the Perfect Plans of God for these special times. Sometimes, I recall that I often wondered if the floor boards would hold us through all our jumping and clapping moments of joy filled praise! They did. And we further lifted our prayer hearts too. This manual of prayer, called “Dial God Direct”, is the result of that joy-filled praise that continued wherever I went globally with these blessed saints of praise and in the “meal” secrets of the bible. Our frequent worshipping caused increasing awakenings of the inner Divine Spirit. The true cleansing of our souls during the ‘tribulation period of testing us has been tough but blessed by the joy of prayer. Prayer also causes each of us to put down the self seeking and angry egos to find more ways to werve joyfully and so give our hearts more freedom to move.

Some of the symptoms that erupted from our prayer times together were such as:

- Frequent attacks of smiling
- Connected joyful feelings with others who are like-minded to Christ

- Enjoyment of nature as a divine gift – (I love gardening).
- Frequent overwhelming thankfulness
- Loss of any interest in worry or conflicts or arguments and buzz-joints (eg night clubs.)
- Spontaneous MOVEMENTS of fun and laughter and generously.
- tendency to trust God, and self, more
- Greater friendships of value and evil relationships fizzled away somehow.
- More generosity of volunteer service to God.
- More passion to study the ways of God and pray like the saints of the past
- Joy, joy, joy - though that can unintentionally flush away some darkened folks – leave that to God!
- Greater confidence in God’s timing and identity with our heart link
- Peace as witnesses of Sabbath obedience in fullness and not half-heartedly.
- Eagerness to give more volunteer service for God.
- Frequent continual bursts of prayer all day long.
- Many blessed friends, in contrast to some betrayals from spying demons.
- More bluntness of truth in our conversations.

Meal/Manna Week secrets are revealed in the following public arenas:

- Hebrew and Gregorian calendar (Passover clues)
- USA Independence clues
- New Moon clues

The many teachers of the global religious arenas tell us “Day and hour no man knows but God”. However, the scriptures clearly promise that the biblical “prophets”, who are like-minded to Yashua Christ, The One True Prophet Messiah, and who are indeed “shoulder-to-shoulder” with the Prophet Messiah Christ, (“shoulder to shoulder servants”- Zephaniah 3.9) will know of the day and hour, and every event beforehand. By being shoulder-to-shoulder in the totally obedient “heart” ways, then we become like -prophets also with Christ, who was always obedient to God in how he lived his life and activities/MOVEMENTS - especially in the sign of Sabbaths. Therefore then, we can expect to know the blessed timings of God for this 120th Jubilee event that we are born to be invited

to cooperate with and MOVE to participate fully in it. It would be queer if God had invited His beloveds to an imminent ‘Wedding Feast’ with the Real Light of the Divine Bridegroom and forgot to give the date!

This timing of a 120th Jubilee celebration is shown in the Biblical Prophetic Blueprint, as shown in God’s Sacred Sabbath Feasts which we annually celebrate like play-acting for a future event for the “deservedly rewarded”. We have been so blessed to co-operate with this plan of God in the fun and prayers of sacred assemblies, as listed below. They also heighten the anointing connection of flow on our entire prayer life too, which makes our prayers more blessed and joy-filled too. Prayer grows move prayer-joys just like little flowers blooming to please God. Each year seems to flow with more anointing for us as we celebrate and pray through them.

They are certainly sacred assemblies of joy on earth and Heaven too.

Leviticus 3 1-2

*“The LORD said to Moses, Speak to the Israelites and say to them:
These are my appointed festivals,
the appointed festivals of the LORD,
which you are to proclaim as sacred assemblies.”*

The list of the Sacred appointed festivals annually are as follows:

| <u>Feast of Lord</u> | <u>Hebrew</u> | <u>Gregorian</u> |
|-------------------------|-------------------------------|------------------|
| Passover | 1/14 Nisan | Mar/April |
| Unleavened Bread | 1/15-21 Nisan | Mar/April |
| First Fruits | Day after Sabbath | Mar/April |
| Shavuot/Pentecost | 3 month (7 months + 1 day) | May/June |
| Trumpets | Rosh Hashanah | Sept/Oct |
| Wedding/ Tabernacles | Sukkot | Sept/Oct |

In Daniel’s timeline we find the link up to the Book of exodus story of the “Meal”/Manna Week is the hidden biblical code to find the dates for these final

biblically clear prophecies of the 120th Jubilee event for us to celebrate, pray and rejoice in, and for them to be only available to the obedient ones, or prophet-like ones, with the Messiah Prophet.

We all know of the Book of Exodus story of the divine “meal / manner” provided for the obedient travellers accompanying the servant of God known as Prince, or Prophet Leader, Moshe/Moses. The Hebrew meaning for life was shown also by the word for “meal”, so if we want to know the secrets of life’s timing with God and mankind’s completion of Covenanting, then we will find them hidden as a “meal” sign - a daily event of life sustenance! We use this word “meal” as part of our spiritual study name - i.e. Magnificat Meal Movement for God in our lives, despite whichever religious group each of us may have originated from.

Hidden in the story of the “meal”, called manna, is the following timing clue of another “meal” clue that preceded the manna/meal clue. This time it is detailed guidance about a lamb meal to serve again as a specific sign to the faithful Moses and Aaron and any who chose to follow them.

Ex 12 1-3

*“The LORD said to Moses and Aaron in Egypt,
“This month is to be for you the first month, the first month of your year.
Tell the whole community of Israel that on the tenth day of this month
each man is to take a lamb for his family, one for each household.”*

What day of the “meal” week is hidden in the “Manna Week” guidance then we can ask, along with, where is the Sabbath in that week? Check your genuine MMM charts and calendars. For the important code for our time is in finding the Sabbath day in that Exodus coded “meal” story. Both the full hearted keeping of the ‘Sabbath’, as the requested MOVEMENT/action of covenant, and also finding this particular Sabbath, is a lovely gift to us today. The gift of the 120th Jubilee of God and mankind is discovered here, and outlined in our workshops and blogs on www.magnificatmealmovement.com further.

Beware of mimicking websites that are not supporting:

- Sabbathing as the Covenant.
- Yashua Messiah Jesus as the only true Prophet Messiah.
- Or accusing the beloved brethren of the Real Light Covenant.
- Genuine site is www.magnificatmealmovement.com as established in April 2007 and updated in March 2012.
- Also available from amazon.com in my account only (Debramarie Burslem)
- Murmuring against me – Just Laugh! Don't bother to defend my cause or name. Leave that to God and be at peace to avoid murmuring and relationships with temptations to sin.

Ex 16 1-2 -

*“The whole Israelite community set out from Elim
and came to the Desert of Sin,
which is between Elim and Sinai,
on the fifteenth day of the second month after they had come out of Egypt.
In the desert the whole community grumbled or murmured
against Moses and Aaron.”*

This is shown as 2/15 Nisan month in the Hebrew calendar, and is the Day followed by manna or “Meal” Food Day, which followed the biblical ‘Murmuring Day’.

N.B.

- The Daniel's timeline tribulation period began on 9.10.09 and yet we have maintained global travels and communications etc to help each other. So do not be afraid as God's angels are holding us firmly. (Ps 91 is my joy!)
- In Australia we have a saying that if something is called ‘True Blue’ then it is both a real light special and genuine. We often have monthly BLUE days.

Ex 16 4-5 -

*“Then the LORD said to Moses,
I will rain down bread from Heaven for you.
The people are to go out each day and gather enough for that day.
In this way I will test them and see whether they will follow my instructions.
On the sixth day they are to prepare what they bring in,
and that is to be twice as much as they gather on the other days.”*

The Secret Super True Blue Sabbath as Clearly Defined is in the Meal/Manna week story (found in the Book of Exodus for only the obedient to find and then to have the grace to use it correctly as a sign). Though it was tough sign for the world. (See my Whispers of Wisdom blogs) It can be confusing at first for those who have still a mindset from past religious teaching conflicts to deal with. We are forever finding a need to study, and to trash out all the old mindsets junk ideas that are not appropriate to the ways/thinkings of Christ lifestyle that was shown to us by the obedient Yahushuah Jesus. It is worthwhile doing the ancient prayers to clear and cleanse any old mindset trash that may have been hoarded to the mind/soul.

Ex 16.26 -

*“Six days you are to gather it,
but on the seventh day, the Sabbath, there will not be any.”*

The Week of “Meal” of the divine gift for travellers with Moses is also a physical sign. Manna is ultimately a ‘meal’ sign of Sabbath power, and also of the final coded dates of the final time rapture of the “deserved” before the day of reckoning. (Acts 17.21)

The ‘Meal’ is Our Sign today also. We magnify this sign as in our name - Magnificat Meal Movement.

We need both the signs and the restorative prayers so that we, as the current time inhabitants of this world, during the 7 year tribulations may heed and humbly repent in order to have the “immaculate hearts” for the Messiah’s time of freedom of Wedding rapture. So then to attend the Messiah’s preparation before the “Wedding Feast”/Sukkot as the 120th Jubilee event - our prayers become then the sorting and cleaning of our life wick/lights, just like the biblical wise virgins story.

The first of the ancient Hebrew months is called Nisan (Hebrew calendar), which is usually March/April on the Gregorian calendar. The Gregorian calendar is confusing, as it was re-invented by Pope Gregory of the Roman Catholic Army Church to control his mercenaries throughout his world dominions, and was to distract souls with confusions, etc., from practicing the true Sabbaths and sacred appointed by God festival days of the Bible, which had caused his agents to not work on certain biblically guided days.

The killing of the biblical story of the “meal of the lamb” for the Passover celebrations is biblically outlined as a further brilliant sign in the details of planning of God to be on the eve before 14th Nisan month. God is very particular to show us hours and dates and events. This is a very definite guide so that the ‘beloved obedient ones’ do not miss out, as others who are confused, do. In fact, we can discover that the Lamb “meal” participants joined in the meal timing long before the meal of manna week lesson of the participating travellers with Prophet Prince Moses. So we know that there is a pre-meal clue prior to the ‘meal’ celebration of the 120th Jubilee/Wedding Feast meal. Thank God to be part of both meals, as well as the ‘meal’ sign co-operators all these years together with the genuine prince and princess-saints of God.

Jer 17.9 -

*“Who can understand the human heart?
There is nothing else so deceitful; it is too sick to be healed.”*

Ex 12.5-6 -

*“The animals you choose must be year-old males without defect,
and you may take them from the sheep or the goats.
Take care of them until the fourteenth day of the month,
when all the members of the community of Israel
must slaughter them at twilight.”*

In the Bible there is another ‘meal’ sign mentioned for our attention in study. It is the Day of Unleavened Bread, which occurs soon after the Passover annual celebration event. This will match the timings of these 7 year tribulation times that we are living in, and is further outlined in our study Workshops globally for the faithful to attend internationally since 1994. The Exodus ‘Manna’ week is also a match to the Genesis Book Creation timeline story of a Week (Stages), and a match to the final play-run of Sacred Sabbaths for our times. There are plenty of signs to guide us to welcome the return of the Messiah on the day of the Messiah’s Wedding of Hearts Rest. We feed our hearts and souls on the forgiving, Real Light of God through our prayer life nowadays, in order to pray and be ready to be involved correctly, and obediently, with this detailed event that is now imminent.

Our prayers become the magnet to draw Gods’ Light into us more, as well as the magnet to draw us into the divine flow of love’s graces for this event. We are then able to joyfully repent and rid our trash (sins too), and unite ourselves to the real divine Light.

Our prayer then becomes our response to the call to ‘watch and pray’ with Yashuah Jesus as Our Real Light Presence. We have a direct call-line coming from God because we have made the obedient Sabbath link up on the “telephone line to Heaven”. Many today are claiming to be hearing God and giving out messages and arguments and confusions and even “accusing of brethren.” Then for us, we stick to the biblical Sabbath and ‘meal’ ways of God and the cult of the real Light of Jesus Yahushuah the Messiah Prophet of God to lead us to the celebrations of the 120th Jubilee and the Messiah’s raptured rest – like a true marriage should be.

Remember that a “cult” is a group of people following a set mindset of focus on one mind or teaching. So our cult really could be called the cult of the BIBLE, or of the MESSIAH’s meal of the 120th Jubilee Wedding celebration meal. Forgetting all that past nonsense of accusations of cult, that emanated mostly from Irish folks, then let us MOVE forward, like the ‘wise virgins’ of the bible story. Let’s pray and ‘dial’ direct to God to be ready for the Messiah and the Wedding Feast of this 120th Mankind Jubilee. That is our REAL LIGHT of prayer focus here in this manual of the Magnificat Meal Movement.

We can also note that the Meal/manna focus lesson of the Bible also matches to the story of the Crucifixion week with the Passover. This ‘Meal’ on the eve of the 14th Nisan was biblically outlined to be before the suffering or final ‘tribulations’.

Book of Luke 22.11-15 -

*“Then an angel of the Lord appeared to him,
standing at the right side of the altar of incense.
When Zechariah saw him, he was startled and was gripped with fear.
But the angel said to him:
Do not be afraid, Zechariah; your prayer has been heard.
Your wife Elizabeth will bear you a son, and you are to call him John.
He will be a joy and delight to you,
and many will rejoice because of his birth,
for he will be great in the sight of the Lord.
He is never to take wine or other fermented drink,
and he will be filled with the Holy Spirit even before he is born.”*

The “tribulation period” is not for the concern of believers, as promised in the Book of Revelations 3.10. Instead, we will be involved in the workshopping spiritual study on our holiness and celebrating with the Real Light of the Messiah Christ in 3 roles. So since the Daniel’s tribulation period began on earth then we

have intensified our praise prayers and workshops. We began the workshops in 1989.

The 3 roles after the Wedding Feast Rapture on the designated 120th Jubilee:

- 1) Judgement of the just will be the focus of obedient and immaculate ones.
- 2) Spiritual “wedding” of believers to Christ Rev 19. 7-9 – e.g. Sukkot
- 3) Immaculate-Hearted Ones Uniting with the Sacred Heart of the Messiah Christ (Rev 19.14)

We therefore expect to continue through tribulations and to be protected as promised in Ps 91, and also held in the arms of Real and perfect God-love (Psalm 91) in two stages, from ‘tribulation’s’ severest events. See the www.MagnificatMealMovement.com at the ‘Whispers of Wisdom” Blogs to observe what the 7 year tribulations sufferings are doing globally I will keep you updated there.

The Book of Revelations gives us an outline of these ‘tribulation’ events as the chaos of punishment suffering and testing of hearts and minds of the world, as is outlined in the Book of Revelations at chapter 6, with details of:

7 seal judgements,
7 trumpet judgements,
7 bowl judgements.

There will still be many millions of people left on Earth after the ‘rapture of love with the Sacred Heart event’ who will realise that Christ has taken the righteous/”immaculate” believers, who responded to the divine link-up call on their hearts. Many may say the aliens took us, as they invade our properties, etc. I say, let them have it all – yes, all the clothes, jewellery, cars, and homes, for we will be filled up with the Real Light Presence and in the air-rapture with our Bridegroom Beloved Messiah, and have no interest in earthly things/possessions again until the earth heritage is cleared into the Immaculate place of God.

More may then repent. The world leaders will attack them, e.g. with 666 coded chips implanted to foreheads and hands, and deaths, etc. The Antichrist will, as biblically prophesied, divide the world left then into 10 Earth regions, and one alliance religion worldwide, with the use of the 666 coded chip/mark to control all. You can do more study on that issue on the internet but as it is not a focus for our hearts then I will go no further on it here. Our focus is to be in the prayer connection to link into the Messiah’s party-line call, on time for the Wedding.

Signs of events are biblically a match for the Eve of the Crucifixion date, which was as biblically outlined, to show that the Messiah fulfilled the ‘sacred Sabbath events’ of the Bible, as can be seen in this list. The Messiah will fulfil the rest of them imminently now, and we will be part of it in our shoulder-to-shoulder co-operations. We simply call that to be ‘corma’ co-operators. You can learn more about the prayer mode of the “corma folks” on www.magnificatmealmovement.com.

The family, and figure, of Yeshuah Jesus Christ fulfilled scriptures through the signs shown at the following events:

- At the Mt Olives (The witness post - expect to find the night match for this in the Jubilee)
- Betrayal at Mt Olives (eve and night before 14th Nisan) – we can expect betrayals but our prayers will carry us.
- Anniah’s house – homes of evil abound.
- Caiaphas’ house– homes of evil abound.
- Pilate’s house– homes of evil abound.
- Herod’s house (morning of 14th Nisan) – homes of evil abound.
- Crucifixion scene – (wherever that occurred is not the issue here.)
- On Cross (biblically 6-9th hour of 14th Nisan – expect to find the match soon for this timing – 6 am – 3 pm / 6pm – 3am)

Yeshuah is part of the family Name of the biblically prophesied Messiah, Christ, and Jesus is the nick-name given by the Roman Catholic Army Church, and which most Christians use in modern times. We have known this fact about the Divine Names issue for a long time now due to our MMM studies. It has further enhanced a passion to pray in these times so that we may not be in the confused basket when the time of the 120th Jubilee arrives for us. Our prayer manual highlights the wisdom of the “wise virgins” as we remain in prayer focus for the cult of the real Light of the Messiah. We are the family of God as princes and princesses of the Kingdom of the Messiah’s Peace and Light. You can also use the small prayer manual of the powerful Names of God called “Gaze a Moment.”

Available on (www.magnificatmealmovement.com)

John 18.23 –

“Then they led Jesus from the house of Caiaphas to the praetorium.

It was early.

They themselves did not enter the praetorium,

so that they might not be defiled, but might eat the meal of the passover.”

They knew the importance then of the ‘meal’ sign. All the first spring seasonal Sacred Sabbath Feasts of the Bible have been fulfilled by the Life of the Prophet Messiah Yashua, who is our true cult/mind focus of our prayers. We are about praying with the true Messiah to God Almighty in united preparation for the biblically promised and outlined dates of the 120th Jubilee.

The 120th Jubilee is simply the ‘Wedding Feast’ (Sukkot) of our “immaculate hearts” united to the Sacred Heart of the Messiah and God. A divine Marriage, as shown by the ‘meal’. This is the time of the prayer focus as a genuine biblical cult of the focus on the final biblical seasons of prophecies of the Sacred Feast for the Messiah. Our prayer times are the preparation for our divine marriage too.

Over the years the many ‘accusations against the brethren’ that came against us with shouts of ‘Cult’, even in the medias of the devil, only made us study, and pray to fill us up divinely more. Then we found that we wanted to be fully of the Messiah’s cult in time for the 120th Jubilee invitation for these times. The divine call, we found, was an invitation for the time we live in. In fact the media serve to publicised our ‘call’ and also to test and prune our trash of mind. “So all was for good and the perfect plan of God.” I wrote that on the wall one day and left to go to pray. When I returned then the evil murmurers had left the house. The call of God impacts. It had gone out to souls, and we are praying as our direct cult-line focus! – A mighty family! A bit like an RSVP answer from the family of the Messiah. We want to have a “Dial God Direct” connection at this invitation time for Mankind’s restoration as promised biblically. So now we see, more than ever, the power of our home and group prayer. The divine prince and princess-saints have been invited and called as part of the family. Our cult family then is only fixed on our marriage of Hearts with the Messiah – that’s a 120th Jubilee event!

The Bible tells of the prior, prep-time of **3 1/2 days in the Tomb Story** for the body of the Messiah as another sign for our study and prayer before the great restoration for mankind in the 120th Jubilee for Mankind on the Day of the Messiah’s Rest. We have endured the first half of the 7 years tribulation given in detail by Daniel. So the sign of darkness for the next 3 ½ years of the 7 years shows that we will not Jericho the same way during it.

Yeshuah Jesus Christ was the Passover Lamb sign for us, just as prophesied in the annual Passover Festival of the Lord. This is our most essential prayer time then to be preparing the candle wicks of our hearts with prayer's joy,

John 19.42 -

*"So because of the Jewish day of Preparation,
as the tomb was close at hand, they laid Jesus there."*

The story of the details of the time in the tomb for 3 days and 3 nights from the 14th Nisan month was prophesied to be. It was an extreme amount of detail given. We also can find much detail for the 'fall' season of sacred Sabbaths involving the imminent return of the Messiah – the Real Light. Surely this focus on the correct timing of the 'spring Sabbaths,' now fulfilled by Yashua Jesus is a clear guidance to us to be joyfully about the 'keeping prayerful', and await the final stage of preparation in the Light Presence as we are all about to face the imminent events of the arrival of the Messiah Yashua of Lights. Our prayers are a delightful way to take time to let in the light, in an immaculate partnership with the Spirit of the Living God.

"No man knows the day or hour" is what many pastors interpret for these times. However, our study reveals that this is a twisted interpretation in relation to the Wedding rapture-folks. It contradicts the Bible guidance, to the faithful and obedient 'friends' of the Messiah. Obedience is Sabbathing, and trusting Yashua Jesus Christ to provide protection (Ps 91) - timing and warning (Rev 12) to His friends and prophets. Each one of us is in the prophetic zone by association to the Prophet Messiah and so that includes us.

The Lord will make His word perform, as we can see in this scripture below. I delight continually in claiming this prayer scripture as follows:

Ezek 12.25 -

*"But I the LORD will speak what I will,
and it shall be fulfilled without delay.
For in your days, you rebellious people,
I will fulfil whatever I say, declares the Sovereign LORD."*

It has also been the long standing prayer I use to beg the Lord for help with evil and rebellious houses, peoples... they all leave me. That is not betrayal but a

blessing. Just as when I prayed it during many long months of evil intruders into my home, ministry etc and the reply came –

26.2.2012

*“With this greatness of love –
It will wash away all that is not loving.
I will hold you high above. Be glad and rejoice.”*

Ps 68

*“God shall sever the head of the enemies
And crush their crowned heads...and rescue me.”*

Gal 2:11

*“I withstood him for he was to be blamed....
He withdrew and separated from the brethren.”*

How true that was again as God rescued me from evil houses etc. Ps 91 daily is such a joy of prayerful thanksgiving when the “Greatness of Divine Love” is moving with us to avoid the evil houses of the ‘temptations of the tribulations’ in the world. So eagerly our hearts jumps “on-line” to shout thanks and praise. Glory to the King of Kings. Our Messiah lives and is our Real Light in the darkness of these amazing times. God cleans our path so trust Him through the remainder of the ‘tribulation’ zone and leave it to Him while you maintain peace.

God speaks to us as the like-minded prophets for His servants to know the divine plan for the 7 year tribulation time we are abiding in on earth and of his loving protection. We are in the link to the only true prophet Yashua Christ, as distinct from the false prophets. Yashua is the only prophet of God for the world. Once we become “shoulder-to-shoulder” as like-minded prophets only then can we MOVE in the same ways as Him in full Sabbath keepings and received that ‘greatness of love’ and its protections. Do not doubt your prophetic servant connection in the MMM or keep up any half-hearted Sabbath keepings. Avoid evil relationships and keep the Light of the prayer relationship well connected.

Amos 3.7 -

*“Surely the Sovereign LORD does nothing
without revealing his plan to his servants the prophets.”*

There are certainly no idle words in scriptures. We have been united together for many years in studying the hidden codes of scripture for the faithful few. We have magnified God with our spiritual studies, and adoring prayers and Sabbath keeping. This has been a great joy to us. The added joy to rejoice over was that we found the mysteries of the final visit in our times of the Messiah. Over the 3 ½ years of the final half of the Daniel timeline then it's of the Light of Prayer that will guide us through. We have learnt this and are aware of the Light laws of God that we have studied.

Hosea 4.6 -

“My people are destroyed from lack of knowledge. Because you have rejected knowledge, I also reject you as my priests; because you have ignored the law of your God, I also will ignore your children.”

The one who knows and did nothing will suffer more. We know, and do the Sabbathing, as well as the adoring and magnifying together. So it is normal, and spiritual, for us to know the date and the hour to welcome our beloved Messiah. We expect to know. That is a purpose for my life then, to be there to help the faithful ones be ready for the correct 'day and hour' to be in the divine plans for the events leading to the 120th Jubilee that Sabbathers have been invited to. We can say, “I hear the wedding bells ringing in my heart for my Beloved God calls ...” On my wedding day in December 1973 it was the wedding trumpets. On the 120th Wedding it will be the angel's trumpets that will gather the immaculate of heart to the celebration. The tribulation testings are proving to be God's wise and therefore good plan to purify us and our home and places and be ready.

Luke 12. 47 -

*“The servant who knows the master's will
and does not get ready or does not do what the master wants
will be beaten with many blows.*

So God intends us to know. Doubt not, then! Ponder and study these scripture guidances for your own wisdom choices and discernment on this prayer-filled way to open to doors of light in your heart.

Luke 12. 56 –

*“Hypocrites! You know how to interpret the appearance
of the earth and the sky.
How is it that you don’t know how to interpret this present time?”*

Luke 8. 17 –

*“For there is nothing hidden that will not be disclosed,
and nothing concealed that will not be known or brought out into the open.”*

The evidence of the Bible shows that we are then expected to know, and in time, as Amos 3.7 above makes clear.

John 16. 13 –

*“When the Spirit of truth comes, he will guide you into all the truth;
for he will not speak on his own authority,
but whatever he hears he will speak,
and he will declare to you the things that are to come.”*

It is Gods’ plan for us to know the angel, like the mother image, to declare the warnings and timings. The San Sebastian De Garabandal angel and events and signs in Spain in 1961 were sadly, severely misunderstood unfortunately by most poor souls.

More information about the 1961 Spanish event is available on the ‘Whispers of Wisdom’ blog at:- www.magnificatmealmovement.com and also in the eBooks there – the “Gaze a Moment” and “Tapping on Heaven’s Door.”

Acts 8:3

*But Saul was going everywhere to destroy the church.
He went from house to house,
dragging out both men and women
to throw them into prison.*

We can be confident however that when we are on the “direct dial-up” to God with a Sabbath ‘fibre optic’ then the disruptions will not succeed. Our unity is with the End Times True Prophet Messiah leading us.

Rev 22.6 –

*“The angel said to me, “These words are trustworthy and true.
The Lord, the God who inspires the prophets,
sent his angel to show his servants
the things that must soon take place.”*

And understand it all!

Daniel 9.23

*“As soon as you began to pray, a word went out,
which I have come to tell you, for you are highly esteemed.
Therefore, consider the word and understand the vision.”*

The Bible tells of the time to end sins, over 70 weeks of the Daniel story-like timeline, as at a prophecy to be fulfilled in our life time. We are living now in the midst of this 7 year tribulation event. How blessed is that to be carried on angels wings of prayer through it all.

Daniel 9. 24 –

*“Seventy ‘sevens’ are decreed for your people and your holy city
to finish transgression, to put an end to sin,
to atone for wickedness, to bring in everlasting righteousness,
to seal up vision and prophecy
and to anoint the Most Holy Place.”*

The biblical Book of Daniel used the further coding sign of weeks, we discovered, to create the codes to be hidden until our blessed times, and to only be clear to

the 'immaculate hearts' to "marry"/unite to the Sacred Heart of God for the Wedding Event of the Covenant.

In the English word "Week" – Shabuwa (Hebrew).

The Bible gave the code as 7 days of 7 weeks.

70 Feasts, as the Daniel code timeline of weeks before the Lord's 'Wedding' Rest, i.e. the Marriage/wedding of the Covenant for mankind, or the time of the return of the Christ Messiah.

This 70 years, as many know it, is 70 Shavuot/Pentecosts, so we can interpret that in the simple code of 70 x 50 for 120 years. (A Divine biblical year is 50 in earth years.) Pentecost means 50.

A recent email simply asked, "When is the starting point in order to find the date of the Lord's Rest?"

It is all available to us in the Bible at the codes of Daniel and Revelations 12 if you are meant to be a humble associate or co-operator with the Redeemer as the 'shoulder-to-shoulder' prophet like saint to be invited. Did you get a call? There is a call/invitation waiting for the elite. We do have the keys of the kingdom, but each one must personally discover it, too. First, starting with study of the Book of Daniel is a step on that path.

Daniel 9.25 –

"Know and understand this:

From the time the word goes out to restore and rebuild Jerusalem

until the Anointed One, the ruler, comes,

there will be seven 'sevens,' and sixty-two 'sevens.'

It will be rebuilt with streets and a trench, but in times of trouble."

From the prophesied commandment to restore the people of the God-Covenant to the Lord's return is 69 years, according to the Book of Daniel timeline codes. Most religious groups have found this confusing, for they had 'no eyes to see or ears to hear' due to their evil house. It is by the divine Oneness that we become

as connected and ‘online’ obedient prophets at the ‘shoulder’ of the Messiah Bridegroom of our hearts. Now this is no different for our MMM studies and lifestyles for we have the immaculate of heart of God’s Spirit within (the Sabbath) for the MOVEMENT we choose that is fully biblical. Hearts linking to the Sacred Heart through sabbathing connections.

Study the number of years of the Hebrew’s punishments, and their conclusion, as outlined further in www.magnificatmealmovement.com, while it is still available online. It is called the 5250 Patriarchal article in the archives there on the website.

The Book of Daniel’s outline is of a 62 year period + 7 years of a zoned prophetic tribulation week. We now have been living in this MOVEMENT with the prophetic zone and we are ready to receive the ‘call waiting’!

Daniel 9.27 –

*“...confirm a covenant with many for one ‘seven.’
In the middle of the ‘seven’ he will put an end to sacrifice and offering.
And at the temple he will set up an abomination that causes desolation,
until the end that is decreed is poured out on him.”*

The biblical altar at Mt Zion, at the throne and altar of King David, is prophesied biblically to be closed down, and an abomination, spoken of in Daniel’s book, will then be established at the ½ of the 7 years, close before the date of March 22, 2013. An abomination was recorded in the headlines of ‘Jerusalem Post’ news, and also on the Israel National News website (www.israelnationalnews.com), when on 3.2.2013 the sad and sickly Vatican Head of State, called Pope Ratzinger Benedict sat on the throne of King David at Mt Zion to receive the rights of land treaty over 23 Israeli sites (including the sacred site of the throne room of King David on Mt Zion), as given under sign from the Israeli government on that signing. It is interesting to note from the media sources that the Roman Catholic Church has been using the Mt Zion location for their altar rituals since 2000. Is this a false altar issue? The sad and very ill Pope Ratzinger Benedict then left Israel and immediately resigned his Vatican post as Pope, to be effective from 28 February, 2013 and so left both

thrones/"horns"/ crowns vacant. It was a date just before the March 22, 2013 event of the final 3 ½ years of dark tribulation for earth. This then left both the thrones of the Pope Ratzinger as empty, i.e. the throne of the Vatican and the throne of King David.

Where are we in this part of Gods' time? This can be discovered by studying the biblical guidance to the obedient prophets of our time – that is you, for you are uniting in the same prayers and heart as the obedient connection to the true and only Messiah Prophet, Yashua Jesus Christ. That makes some of these ancient prayers even more exciting to us as we personally welcome the Great, and only true, Prophet of Yashua Jesus and use them through the days of dark/evil housings globally.

We are aware now, of the entry door of the timing of the 120th Jubilee of the Lord with humanity, as outlined in the Book of Genesis at chapter 6.3. We are going through this door, with souls prayerfully and spiritually prepared over our many study years and blessed prayer and worships together, with our beloved true Prophet, King of Peace and our hearts. Great is God Almighty. Many have come and gone from our midst, and mindset, who could not accept our humble MOVEMENT to magnify the focus to obey and worship our Prophet Yashua as the only prophet to lead and MOVE us towards the divine rapture of “united Hearts with the Messiah”. For those who come seeking, then I entrust our studies, and prayer manual, to your help in your tribulations ahead, with forgiveness for any accusations you may make against us, or our true Messiah Prophet, Yashua, to whom we are consecrated with our daily prayers and MOVEMENTS. We are MOVING prayerfully into freedom and the ‘Wedding Feast’ of the Messiah at the Genesis timing of the 120th Jubilee event for mankind.

Lev 25.10-11 –

*“Consecrate the fiftieth year and proclaim liberty
throughout the land to all its inhabitants.*

It shall be a jubilee for you;

each of you is to return to your family property and to your own clan.

The fiftieth year shall be a jubilee for you;

*do not sow and do not reap what grows of itself
or harvest the untended vines.”*

So then, the Bible tells all to sound the trumpets, or “Blow the Shofar” horn, as the biblical alert (as instructed by God to the peoples of the events of our biblical study) on the day of the 10/7 for 7 days of the Hebrew month. So that has been a day, or week, of lots of noise and fun in our families and homes of holy princes and princesses. The annual festival trumpets or horn is blown 100 times a day, and the children love it, as the day is not to be forgotten. We do intersperse it with correct CD’s of horn recordings!

Lev 25.9 –

*“Then have the trumpet sounded
everywhere on the tenth day
of the seventh month;
on the Day of Atonement
sound the trumpet throughout your land.”*

The prophecies of God are set out to lead us, even noisily and joyfully, on this clear path to the 120th Jubilee. They are clearly biblically outlined as Sabbatical Year Sets that also follows the Creation Week pattern of sequences of events and movements. Every 50th year is a divine Jubilee. On my own wedding day in December 1973 we went down the aisle of the church to the sound of trumpets, band and choirs doing “So let the Trumpets Sound to the Glory of God”. Amazing God-coincidence! It certainly was a noisy wedding too.

Acts 3.20-21 –

*“And that he may send the Messiah,
who has been appointed for you—even Jesus.
Heaven must receive him until the time comes
for God to restore everything,
as he promised long ago through his holy prophets.”*

Which Jubilee is the Lords restoration one to designate the biblical 120th Jubilee of Mankind, we can confidently ask? We have discovered this by spiritual study. We have also discovered the Blessings, and also the ancient prayers, used by Yashua and his family and blessed homes, that we have been given to aid our

lives in this time of amazing history. So our hearts are now singing the alert continually in praise for the 120th Jubilee, or Wedding Celebration for the Hearts of Mankind to the Sacred Heart of God. We sing “So let the Trumpets Sound to the Glory of God”. Though now I add to the song – “for my Bridegroom Comes, Alle-lu-ia”. Our major role is to be the immaculate partners for this at this time, by our faithful prayers of worship to welcome the Messiah, who is the 'Real Light'. So praying is both a privilege and a huge joy for us, so the reason for this book then, and for our profound joy and rejoicing. In fact, I've designated 2013 as the MMM theme Year of “Restoration, Renewal and Rejoicing – The Rapture Comes ... R.R.RjumpR.”

Gen 6.3 –

*“Then the LORD said,
“My Spirit will not contend with humans forever,
for they are mortal;
their days will be 120 years.”*

I am being repetitive to help you see clearly the ‘reason for the season’ of joy we have. So let me add: Mankind’s time for a Covenant period with God then will have – 120 years or 120 jubilees = 120 x 50 years = 6,000 from the Covenant of God with the man simply described as Adam. 6,000 years of the Covenant for mankind is now at its time to celebrate the 120th Jubilee with any prayerful “mankind” of the Covenant Keepers and God. Though the development of Earth is longer than this 6,000 years, we are only concerned about finding the completion time for the period of the Covenant of God here in this prayer book manual. We have used these divine and ancient prayers for so long, but now unite them here for easier use for those who will follow us, and want to know what we did in prayer that caused the graces to MOVE upon us as the “call” from God on our simple lives. You can learn more about the longer Creation periods in my book ‘Be Gracious to Me’, in which you will discover the numerous ‘Big Bang’ ideas and the divinely patient unfolding of Earth life for God to give a covenanted gracious gift to mankind.

Genesis 5.32 –

*“After Noah was 500 years old,
he became the father of Shem, Ham and Japheth.”*

Gen 7.11 –

*“In the six hundredth year of Noah’s life,
on the seventeenth day of the second month—
on that day all the springs of the great deep burst forth,
and the floodgates of the Heavens were opened.”*

Adam’s time of Covenant was 4,000BC, so add another 2,000 years and we get 6,000, we are at these times that we abide on this Earth - so it is time for the Completion of the 120 Jubilees for mankind. (Adam is an adjective and description noun for the Hebrew – of dirt/earth – and was not his real name.)

Our Present time is now 6,000 years later in that Sacred Covenant Agreement that also includes the end of the Hebrew’s punishment periods. You can study more on that in our archives at www.magnificatmealmovement.com.

The Messiah’s Scriptures of Prophecy and Truth for the promised restoration and “Wedding Feast”/Rest are hidden to the evil mind/houses. We see in the dates of the biblical Sabbaths of sacred festivals, and in the manna /“meal” week, the codes as in a story of the Book of Exodus also. The end times events are hidden in codes then in the beginning events of the story of the commencement of the Covenant period contracting between the Sacred Heart of God and the then ‘immaculate heart’ of Adam, as outlined for the beloved ones to find in the Book of Exodus. The grace of moving in ancient and passionate prayers, and obedience of the Sabbath clue, soon unravels the hidden codes for us who are biblically described as the “deserved” and so meant to know them. It pleases God to reveal it to those who are in obedient MOVEMENTS of prayer as their lifestyles, in time to get the divine “call” for the invitation to the 120th Jubilee event.

Is 46.9-10

*“Remember the former things, those of long ago;
I am God, and there is no other;
I am God, and there is none like me.
I make known the end from the beginning, from ancient times,
what is still to come.
I say, My purpose will stand, and I will do all that I please.”*

The Bible shows that God told us that the end date for the Return of the Messiah is to be a biblical Jubilee year. So we hunted and studied and prayed for the Lord's 120th Jubilee for the Latter Years. This is important to us for we are currently abiding on Earth within the amazing care of God (Ps 91) through the 'tribulation 7 years'. We saw and studied many long years together on the past Jubilee years of recent times, along with their world events.

E.g.

- 1967 – The 6 day War = a Jubilee year
- 1917 – 400 year of Ottoman (Islamic) rule ended with General Allenby.
(See our study about this at www.magnificatmealmovement.com)
- 1867 – Freedom of Jews in Austria/Hungary (the reason for our blessed MMM pilgrimage annually in Vienna, Austria).
- The Commandment to Restore and rejoice in adoring Praise – i.e. pray
- October 9th, 2009 – Peace Award/Treaty was announced (i.e. 1260 days before 22.03.2013 – Wow!)
- Millennium Rest = 5777/5778
- 2016/2017 = 120 Jubilees ends from the Adam time of its beginning Covenant
- 2013 – Pope Ratzinger of the Vatican throne took over the Throne of David at Mt Zion under agreement from the Israeli government, and then resigned both his thrones just a few days later.

These are the expected end result of the 120 Jubilees. They are also the follow on seen as Worldwide announcements by the League of Nations for the restoration/formation of Israel, to lead into the 120th Lord's Jubilee = Lord's Rest/Lord's Return, as it is commonly called.

Now just to clarify a few strategic historic events for the future – in order to make it clearer for you dear reader-saints then, I include the following:-

- On November 29 1947 the announcement to the world of the restoration of Israel was made by the League of Nations. It was actually a great announcement for rejoicing for all mankind. The promised generation then will not pass away before the 120th Jubilee event. A biblical generation is 70 years. So, $1947 + 70 = 2017$. Therefore, we can discover that the Great Jubilee Event of the Last Great Day will occur before the end of 2017.
- So, in May 1948 we witnessed the State of Israel begin its new reign as a nation, with its first steps of new life commencing to move towards the Jubilee Great Day of 2016/17. It is biblically also called the Fig Tree nation that began then in biblically promised restoration and new life budding forth. So, announced in November 1947 and then went into public action to move towards the ‘Wedding Feast’ of the 120th Jubilee on May 14, 1948.

Matt 24.32-34 –

“Now learn this lesson from the fig tree:
As soon as its twigs get tender and its leaves come out,
you know that summer is near.
Even so, when you see all these things,
you know that it is near, right at the door.
Truly I tell you, this generation will certainly not pass away
until all these things have happened.
Heaven and earth will pass away,
but my words will never pass away.”

The media of the world announced the news for Israel in 1947. So now we know that our prayer life is the most important, and valuable, in history too - November 29, 1947 – when the promised biblical Command of the Restoration to begin in the State of Israel was also the “Wedding invitation call waiting” to restore our prayer life and MOVEMENTS of our hearts’ focus. It was also a time for us to be restored, and use our valuable connection call-line to God (i.e. prayer), to begin anew also in personal heart links to God. We now accept that our prayer life is full as we have become or becoming the “immaculate Hearts

within” through these promised and blessed gifts. The tribulation testings are refining our hearts now.

So many failed in history to understand the Immaculate Heart and the Sacred Heart issues for the Jubilee of the October 17th Marriage Feast of the Messiah (Sukkot). How thankful I am that we now know of this sweet joy and have been able to respond to the “call waiting” and REPLY with prayers like this of abundant praise and joys.

Amazing calculations here then become clear and also lead to amazing renewal of prayer passion ... We can simply do the calculations and jump with rejoicing praise about how simple it is for us to know it now.

I.e. 1947 + 62 years = 2009 Gregorian

+ 7 years = 2016 Gregorian (Hebrew 5777-5778)

May 1948 + 62 = 2010 Gregorian

2010 + 7 = 2017 Gregorian (Hebrew 5778)

- **ALERT!!!!** The hugely public Peace command of October 9, 2009 in Norway was prophesied as the link of 1,260 days to the 22.3.2013. I was in Europe at the time of this shocking event, but was so relieved by its link to the right biblical secret days given by Daniel’s timeline as days to add the calculations of 1,260 days to arrive at the correct date of the “meal”/manna week coded, secret date of March 22, 2013.

It is worth noting that this Nobel Peace Prize agreement, a great global event of a “peace recognition”/agreement award, went out to the world from the Norwegian based Nobel Prize Committee on October 9th, 2009.

The Nobel Peace Prize for peace was announced on 10.9.2009 as awarded to the very popular orator of peace, President Barack Obama of the USA, for his public peace efforts – most particularly focused between Israel and Palestine.

Newspapers, leaders of nations, and even the Vatican, acclaimed him as the Global leader and “Man of Peace”. I recall reading all the news about it while in

Vienna, Austria with my family on MMM business, as well as the Vienna ‘Meal’ Pilgrimage at the time, and being amazed by all the media attention given to this Nobel Peace Prize news.

Obama said as part of his acceptance speech on October 9th 2009 –

“And we must all do our part to resolve those conflicts that have caused so much pain and hardship over so many years, and that effort must include an **unwavering commitment that finally realizes that the rights of all Israelis and Palestinians to live in peace and security in nations of their own.**”

http://www.whitehouse.gov/the_press_office/Remarks-by-the-President-on-Winning-the-Nobel-Peace-Prize/

Vatican City, Oct 9, 2009 / 12:59 pm (CNA).-

“The Vatican offered its appreciation today for President Barack Obama’s **work for peace on the international level**, following the announcement that the president the winner of the 2009 Nobel Peace Prize.....

The chairman of the Norwegian committee charged with choosing the peace prize recipient, Thorbjørn Jagland, said that although the president’s initiatives have yet to bear fruit, “Only very rarely has a person to the same extent as Obama **captured the world's attention and given its people hope for a better future.**”

<http://web.archive.org/web/20091014113003/http://www.catholicnewsagency.com/new.php?n=17351>

World News: “World Leaders hail Obama’s Peace Prize.” 10th October, 2009

Last year’s peace laureate, Finland’s Maarti Ahtisaari, said the prize was deserving **recognition of Obama’s hopes to secure peace in the Middle East.** Italy’s Prime Minister, Silvio Berlusconi, said when news of the decision came through his cabinet paid tribute with a sincere ovation. “A President who wins the Noble Peace Prize will be an **investment for the future** as he will have to be very ecumenical towards everybody,” he said.

<http://www.euronews.com/2009/10/09/world-leaders-hail-obama-s-peace-prize/>

The Wall Street Journal: 10th October 2009

“Our own reaction is bemusement at the Norwegian decision to offer what amounts to the world's first **“futures” prize** in diplomacy, with the Nobel Committee anticipating the heroic concessions that it believes Mr. Obama will make to secure treaties that will produce a new era of global serenity. Maybe he really is The One.”

Interestingly, 1,260 days later from 9.10.09 (as given in the full prophesied timeline of Daniel's words for these times -3½ years) this “World President/man of peace”, President Barack Obama, is due to arrive in Israel on March the 20th for what is classified as a “strategic announcement” - Just prior to the March 22nd “midway of the week” point of ‘tribulations’ from the Daniel timeline. How great is our prayerful thanks to God for carrying us so far through the tribulations. (Ps 91)

Perhaps the significance of the 1,260 days given in relation to the “Peace words” of Daniel about this “World President/Man of Peace” in 2009 was severely camouflaged and largely unnoticed by the millions of researchers world-wide – but we cannot fail to heed this event that points to March the 22nd 2013 – a very strategic date of 1,260 days exactly from the World Peace announcement /agreement of October 9th 2009.

The 1,260 days is 3½ years. The 3½ year point was biblically coded then to be 2013/2014, so we expect much on this timeline with sure signs flashing of a “call waiting”. Such signs to gain our attention have been remarkable – e.g. amazing signs in the sky; abundant fish beached; earthquakes, floods, wars, famines, hugh number of children gone missing etc. You can investigate this further at www.magnificatemealmovement.com in the ‘Whispers of Wisdom’ blogs. Hope you see my point in the sign of the blue butterfly of freedom sign. Therefore, our ‘wise virgin’ option is to be prepared to welcome the Messiah of Love for of all Hearts, in peace. Prayer, and obedience, is the key to that real light and Peace of United Victory Marriage.

We can find from our studies then an abundance of confirming witnesses or signs for us to see. Let me remind you again here:

- Daniel's 70 Shavuot timeline from the Book of Daniel.
- Blueprint of Creation and Latter Years that match with the final Rest.
- 1967 Six Day War – a Jubilee
- 1947 Command announcement of the restoration of the State of Israel.
- 1st Commandment went forth from Israel in 1948 in May.
- New Israel announced by agreement of the United Nations in the media also – November 1947
- 1917 Jerusalem freed from the control of the Turks, as prophesied, at the end of the biblical punishment period. (See more details on this “5250 Patriarchal” event at www.magnificatmealmovement.com.)
- June 17, 1967 – Debramarie's 16th birthday party – VISION of the invitation to the wedding party.
- June 17, 1969 – commencement of visitations for Debramarie.
- December 21/22 Solstice – wedding party in Dec 1973 for Debramarie.
- December 24, 1973 – the Hall's Gap event – the Arrival of the Heavenly wedding feast vision again on the honeymoon of Debramarie.
- Debramarie – the clue of the manna/meal week in 1986/87 – to be magnified.
- Debramarie – taught in 2005 of the 2016/17 Messiah Day of the Last Great Day of the 120th Jubilee on Sukkot in 5777/5778.
- Debramarie's sign number is 17, as outlined.
- Debramarie in 1995 – “October, the Lord's day Comes, Wait and be ready for October is 17. October comes!”
- Debramarie in Mt Zion, Jerusalem in November 2002.-“When you see the false lamb of 2 horns on the Mount Zion throne stone of David then all worldly tithings will cease from sacred thrones, for the cleansing will begin and the seats of Israel will be both taken and vacated.” Debramarie came back and installed outside collection boxes.
- Pope Ratzinger Benedict took the seat of David at Mt Zion (and 23 other Israeli sites) by government agreement on 2.3.2013 and then resigned it and the Vatican throne post also on 7.2.2013 leaving the 2

horns/crowns of Israel and Vatican kingdoms vacant to take effect on 28.2.2013.

- President Obama became the Nobel Peace Man of the world on 9.10.2009, which calculates to 1,260 days before the 22.3.2013 date of Daniel's timeline

Our prayers have carried us through tribulations testings to 2013/4 and beyond – described as the biblical ‘tribulation’ “Midst of the Week” in the biblical timings for these wonderful days. We love being called to prayer from the crescendo of the signs confirming or ringing out to the world in these times. All that we see on the news of the world signs since President Obama took the Peace award by agreement now confirms our joyous prayer times to us more than ever before. You can see more of these signs on the blogs at the Whispers of Wisdom at www.magnificatmealmovement.com.

I always think to myself that the COM on the MMM website address as above is like a “call back” response to God from our hearts to say -“Com’. Com’. Come quickly Lord Yashua Jesus into my heart”. Ok then, there will be some who think that is a childish connection but my prayers are like that of an immaculate hearted child for the Divine Spirit within me is IMMACULATE. Thank God, for you can surely see that I love my personal childlike prayers and hope you will find the same joys in these old prayers too. Even our prayer joy is a confirmation to us, as from the Book of Revelations 13, that states that we will be a rejoicing peoples of God within the global tribulations times. It sure is!

We are aware now that the period known as the end half of the ‘Tribulation’ will start as the Bible tells us, as coded in the “Meal”/ Manna Week, and there are very specific details that it will be as follows:

- Begin at night-time
- Not in wintertime
- Not begin on a Sabbath

But other events will have a Sabbath reward, we know. We will be too busy rejoicing and flying with our happy prayers like a sign of a blue butterfly showing freedom of hearts with Heaven focus. We call these global events as grand, Blue Garden Parties for Sabbathers. We have been holding these Garden Parties on Sabbaths for many years now around the world. Make sure you fly like the sign of the butterfly to attend one while there is still time!

We know the biblical “Altar” will be down and desecrated by March 22, 2013 as outlined in the ‘Meal/Manna’ week of Exodus (possibly this was begun by the Ratzinger seating on February 2, 2013 mentioned earlier). This date 3.22.13 is the day after the end of winter (March 21), and directly before the next Sabbath day. We must note that biblical days begin on the evening before at 6pm or dusk, i.e. night-time. The dark of the night will certainly further highlight the Real Light of the incoming Messiah. However it may be different times in other locations.

Daniel 11.31 –

*“His armed forces will rise up to desecrate the temple fortress
and will abolish the daily sacrifice.
Then they will set up the abomination that causes desolation.”*

The figure of the Antichrist is then biblically announced to confirm a global accepted leader acknowledged for involvement in a Peace agreement/announcement/treaty – though may not necessarily sign it, but will be the public witness, or sign, of it.

Daniel 9.27 –

*“He will confirm a covenant with many for one ‘seven.’
In the middle of the ‘seven’ he will put an end to sacrifice and offering.
And at the temple he will set up an abomination
that causes desolation,
until the end that is decreed is poured out on him.”*

We are called to be the “blessed” ones who will wait in this historic time of Daniels secret tribulations... and then be like the blue butterfly that flies to new

life and freedom in the air. Only by the richness of your prayer will we be able to 'wait' and so fly.

Daniel 12.11-12 –

*“From the time that the daily sacrifice is abolished
and the abomination that causes desolation is set up,
there will be 1,290 days.*

Blessed is the one who waits for and reaches the end of the 1,335 days.”

This has a gap of 45 days that are of interest to those who find this mystery.

Matt 24.20-21 –

“Pray that your flight will not take place in winter or on the Sabbath.

*For then there will be great distress,
unequalled from the beginning of the world until now—
and never to be equalled again.”*

1,260 days of fleeing from the many global distresses during the period of tribulation of world events and plagues was prophesied to be known by the beloved friends of the Messiah. The Bible told us that we were to be a rejoicing people at this time. Keeping a rejoicing heart when my heart does its prayer link up to the Divinely Sacred Heart, especially in some of these ancient prayers, was the comfort and Divine Spirit of joy for me as I observed (Psalm 91) the massively sad global sufferings of the whole of humanity as it 'fled' from floods, fires, tsunamis, oppressive governments, riots, famines, etc. after the “Man of Peace” was announced as the USA President on October 9, 2009. It was as if a tidal wave of fleeing was unleashed on humanity. Through it all my joy and thanksgiving mounted as we rode prayerfully and safely through it all on the wings of Sabbathing with the Great God and the Messiah. There are further seriously disturbing, and exciting, events ahead, as shown below.

Firstly, my favourite one of the secret of the code of Daniel that outlines another of the significant planetary change of image signs is given for us in Revelations 12 (arrival - March 2, 2013 at 5.58 a.m. Jerusalem time). It is clearly outlined in this scripture of Revelations 12 for those with eyes to see. For me, that was always the most exciting sign of all, so often making me want to wear red or blue indigo prayer gowns, to heighten my rejoicing vibrations. One day long ago in 1999

there were so many journalists who mocked our plain and delightful prayer gowns in the red or blue, and quietly I laughed to myself at the ridicule, for it was my joy and “They knew not!!!” Of course they were also ignorant of the inspiration for our long free flowing choir gowns which had come from the example of American choir Paster Ron Kenoly. For so long there has been many religious leaders who denounced any study of the zodiac and stars as demonic. How could that be demonic when the zodiac and stars were the sign of the First Coming of Messiah and twill be for the Second Coming and many other biblical signs as in Revelations 12 also. It is not time to be ignorant of the ways of God like some are. Hosea 4:6 says that the lack of knowledge causes the people of God to perish. So we study to renew our prayer and also to move with the ‘latter rain’ of the wind of the Holy Spirit for the uplift raptures.

Rev 12.15-16

*“Then from his mouth the serpent spewed water like a river,
to overtake the woman and sweep her away with the torrent.
But the earth helped the woman by opening its mouth
and swallowing the river that the dragon had spewed out of his mouth.”*

Matt 24. 29-31 –

*“Immediately after the distress of those days the sun will be darkened,
and the moon will not give its light; the stars will fall from the sky,
and the Heavenly bodies will be shaken.
Then will appear the sign of the Son of Man in Heaven.
And then all the peoples of the earth will mourn
when they see the Son of Man coming on the clouds of Heaven,
with power and great glory.
And he will send his angels with a loud trumpet call,
and they will gather his elect from the four winds,
from one end of the Heavens to the other.”*

More information on these distresses was taught and archived for your follow up studies at www.magnificatmealmovement.com.

After the end ‘Tribulation’ period the Bible prophecies tell that the Messiah of the sky or clouds level will be seen. Many signs have been used to describe the

Real Light of the Messiah, and the events. We have known for a long time now that there are 2 rapture stages described in the Bible. One occurs in a ‘twinkling of an eye’ and the second over a 2 week period immanently.

There are so many signs that have occurred, but were largely overlooked or confused by the interpretations of many religious experts. I list here a few from our studies to re-crystallise your memories of them. The Real Light of the glorious Presence of the Messiah is imminent in these wonderful times we have so blessedly been born to co-operate with.

We have known of the ‘October Comes’ issue since the 1990’s so it is not new to the participants of MMMI or CCA groups. I am not a professional writer or preacher so I hope you can follow these brief notes here taken from our last 20 years of study. Past studies in our archives at www.magnificatmealmovement.com covered the following topics listed here to refresh the ‘memory banks’ and the prayer flow.

- Lamb – as a warning image at Knock, Ireland as in 1879 – overlooked and confused. A whole mass/prayer focus applies here.
- House – house of David’s Covenant as eventually usurped at the Throne of David on Mt Zion on 3.2.2013 by a prophet with “2 horns” – overlooked and confused. On the 3.2.2013 the prophet Pope Ratzinger of the Vatican Crown / “horn” took over the Crown of David but as he is not a prophet of God then they call these 2 crowns “horns.”
- Sacrifice - genuine crucifixion dates, issues and prayers.
- Blood – blood of the lamb – Knock, Ireland, 1879 – largely confused.
- Firstborn takes possession – Yeshuah and ‘latter rain’ prayers of Oneness.
- Fleeing people – as shown at San Sebastian De Garabandal in image/visions in 1961 – largely overlooked and confused by religiously ignorant teachers. Prayers lead to the Victory of the Cross mindset.
- ‘Meal’ secrets – as at Helidon, Australia – largely overlooked and confused.
- Dragon and woman sign – date of planetary image - March 2, 2013.
- Name of God – as given at San Sebastian De Garabandal in image/visions 1961 overlooked. This is a separate MMM prayer manual called ‘Gaze A Moment’ available at www.magnificatmealmovement.com.

- World Leader/Man of Peace – as President of USA on 9.10.2009 – overlooked as the prophesied event of when the USA President was awarded the World Nobel Peace Prize exactly 1260 days before the mid-date of the Daniel time line.
- Immaculate Heart of Peace – as at Fatima, Portugal in 1917- severely misunderstood.
- Sacred Heart for Peace – as revealed at Paray Le Monial, France to Margaret Mary Alacoque in 1673 on December 17th – largely confused by church experts though Margaret Mary died on October 17th and her Feast Day is October 17th. Exciting! Burning prayers of passion too.
- The False Lamb of 2 horns/crowns on head – Pope Ratzinger Benedict again on – 3.2.2013 - The 2 horns were his 2 crowns of Israel and Vatican Kingdoms– largely overlooked also.
- So many more that we have shared before - even including the many of my life events too.
- Abomination -Concept of the apparent description of an abomination as a false lamb of 2 horns on the Zion Mount will cause people to flee from Jerusalem in shock. In actual fact, the False Lamb with 2 thrones (The Kingdoms of the Vatican and King David's throne on Mt Zion) was Pope Ratzinger Benedict on 3.2.2013 – and largely overlooked, except by Israeli media Of the 'Jerusalem Post' and 'Israeli International News' and of course – US! Our prayers have renewed vaue as spiritual warefare and Victory of the Cross over the 'end times' deceptions of satan. Beginning of mid week Tribulations will be the day after 10 Nisan, biblically heeded as the Equinox of March 21. This is the Northern hemisphere's end of winter, so the tribulation will be after that date according to the Bible prophecy as a sign.
- The sign of 1,260 days to lead to March 22 in 2013, (as outlined date given in Daniel's timeline) after winter, but before a Sabbath day – largely overlooked and confused by religious teachers.
- The Wedding Feast / Sukkot is annually on 15 of the 7th Hebrew Month. In 2016 it will be on October 17th – Feast of Margaret Mary Alacoque of France – largely overlooked by so called Christians. It has its own prayer delights.

- Nisan in the Daniel's timeline of mid week timings occurs on March 22, 2013 and leads onto the Feast of Trumpets to herald the end of the Great Tribulation period on Sept 2, 2016 and then the prayers of Sukkot (Feast of Tabernacles) Marriage Feast.
- The exciting next sign of the eve before March 22 = 10th Nisan in the year 2013. Then, by adding 1,260 days it concludes the Daniel timeline at September 2, 2016, which will then be the end of the 'tribulation' period. This then gives 45 days after these days of end of tribulation to October 17, 2016/17 – the 'Wedding Feast' of Sukkot. Wow! It all fits together.
- 45 days from end of tribulation to the 120th Jubilee Event. Many joyful prayers of praise bust forth from the winds of the Divine Spirit in the 'latter rains.'
- 45 days of fulfilment of the Messiah's Fall Feasts to the Coming of Messiah in 5778 are truly an amazing sign of incredible detail and divinely planned timing.
- 7/1 Trumpets – which will coincide with October 3
- 7/10 Atonement – will coincide with October 12
- 7/15 Sukkot – coincides with October 17- amazingly the Feast of Margaret Mary Alcoque and the date of the 120th Jubilee – The Feast of the Sacred Heart of God messenger.
- Blue butterflies study of learning to be free to sing and dance and clap and move to praise God. We also made blue gowns for it.

Now there are so many exciting reason then, to pray and worship God for we are so intensely blessed to be part of this amazing plan from the clouds, or not. Go blue butterfly signs for renewal and freedom to be uplifted for God and with God. Whenever we want to have a special day of prayer and rejoicing then we have a blue Heaven day and wear blue too. It is a day for Prayers of Spiritual Battle and also Oneness with the Sacred Heart of God – often shown as blue.

In the astrological zodiac signs there will appear over Jerusalem on March 2, 2013 at 5.58 a.m., around the dawn hour there, a sign in vision of this astrological sign of Revelations 12. On that day we will again unite in the freedoms of Heaven with Blue Butterfly's Garden Parties globally and gather to praise in the Heart of God.

Rev 12.1-5 -

*“A great sign appeared in Heaven: a woman clothed with the sun,
with the moon under her feet and a crown of twelve stars on her head.
She was pregnant and cried out in pain as she was about to give birth.*

*Then another sign appeared in Heaven:
an enormous red dragon with seven heads and ten horns
and seven crowns on its heads.
Its tail swept a third of the stars out of the sky
and flung them to the earth.
The dragon stood in front of the woman
who was about to give birth,
so that it might devour her child the moment he was born.
She gave birth to a son, a male child,
who “will rule all the nations with an iron sceptre.”
And her child was snatched up to God and to his throne.”*

Not know the day or hour???

For the friends of Jesus Yeshuah Christ, He then said that he expects us to know it when he said – “why can’t you work it out???” We can! We have studied this to be sure.

Luke 12.54-56 -

*“He said to the crowd:
“When you see a cloud rising in the west, immediately you say,
‘It’s going to rain,’ and it does.
And when the south wind blows,
you say, ‘It’s going to be hot,’ and it is. Hypocrites!
You know how to interpret the appearance of the earth and the sky.
How is it that you don’t know how to interpret this present time?”*

The messenger angels will show the Lord’s “prophets”, who are prophets only by their association of being ‘shoulder-to-shoulder’ with the only True Prophet – the Messiah. God promised to show the timing and ways to the faithful servants as shown in:-

Rev 22.6 -

*“The angel said to me, “These words are trustworthy and true.
The Lord, the God who inspires the prophets,
sent his angel to show his servants the things that must soon take place.”*

This information of timings, and also the ways of moving with them, belongs to us who prayerfully and joyfully obey the Sabbath Covenant “cause” and request of God. It’s rather like answering a direct phone call from God, because the Sabbath-keeping keeps the “call” connected to the servant soul with the Divine Spirit of Service – like the divine ‘fibre optic’ cable Yashua, who taught us that he came to serve the Sacred Heart of God.

This promise in this scripture is one I rejoice in thanksgiving prayer with continually ...

Deut 29.29 –

*“The secret things belong to the LORD our God,
but the things revealed belong to us and to our children forever,
that we may follow all the words of this law.”*

So this is why we study the timings and ways of God’s plan, so that we can MOVE to magnify the 120th Jubilee of God’s Glory. Yippy! Listen to the ‘Yippy Yahweh’ song on the CD of “Songs With Debra” – available at www.magnificatmealmovement.com.

John 16.13 –

*“When the Spirit of truth comes,
he will guide you into all the truth;
for he will not speak on his own authority,
but whatever he hears he will speak,
and he will declare to you the things that are to come.”*

We are not the ones in the 3 ½ years of darkness of ignorance, or disobedient, so we will know of the day and the hour of the Messiah’s coming. After all, we are invited to the ‘Wedding Feast’. The call is waiting!! We use this MMM manual as our charger for the Heavens phone. We do not belong to the darkness of confusion or “limp hands” for we are flying with praise in the air clouds with the Messiah. O, how I love these ancient forms of prayers! We are the children of the Real Divine Light and our prayers are MOVING in Heavenly abodes. We have chosen to answer the call with our passionate, worshipful YES.

1 Thess 5.1-5 –

“Now, brothers and sisters,

*about times and dates we do not need to write to you,
for you know very well that the day of the Lord will come
like a thief in the night.*

*While people are saying, "Peace and safety,"
destruction will come on them suddenly,
as labour pains on a pregnant woman,
and they will not escape.*

*But you, brothers and sisters,
are not in darkness so that this day should surprise you like a thief.
You are all children of the light and children of the day.
We do not belong to the night or to the darkness."*

Our studies have uncovered that this will occur immediately after 'Tribulation' ends, as detailed in scripture. We are the companions of the 'Real Light' of God.

Matt 24.29-31 –

*"Immediately after the distress of those days the sun will be darkened,
and the moon will not give its light;
the stars will fall from the sky,
and the Heavenly bodies will be shaken.
Then will appear the sign of the Son of Man in Heaven.
And then all the peoples of the earth will mourn
when they see the Son of Man coming on the clouds of Heaven,
with power and great glory.
And he will send his angels with a loud trumpet call,
and they will gather his elect from the four winds,
from one end of the Heavens to the other."*

The elect, on the divine Heaven's 'call', as detailed, shall be gathered as invited Wedding Feast guests for 2 weeks for the return of the Lord Messiah, the year 5777/8 Feast of Trumpets. We will be gathered by angels so relax and fear not. This generation of Fig Tree Nation will not pass away before this. (The Fig Tree Nation of Israel began its new life in November 1947, as stated earlier in this chapter) and a biblical generation is 70 years.

Matt 24.32-34 –

*"Now learn this lesson from the fig tree:
As soon as its twigs get tender and its leaves come out,
you know that summer is near.*

*Even so, when you see all these things,
you know that it is near, right at the door.
Truly I tell you, this generation will certainly not pass away
until all these things have happened.”*

So the people inhabiting Earth since November 29, 1947 is a generation of great blessing, called to be born for these times of worship and unity with the Sacred Heart of God. That is a mighty important “call waiting.” The amazing sign of the Sacred Heart sign with Margaret Mary Alacoque, who died on October 17th in Paray Le Monial, France and has her feast day as October 17, will be truly amazing on October 17th at the 5778 point of history. What a sign! Every sign is a stimulus to our rejoicing prayers and restores our ancient prayer connection more (i.e. as in this Prayer Manual for our beloved, faithful prince and princesses of God to use.)

Matt 24.35-36 –

*“Heaven and earth will pass away,
but my words will never pass away.
But about that day or hour no one knows,
not even the angels in Heaven,
nor the Son, but only the Father.”*

It is only the date of the Heaven and earth passing into the next ‘Big Bang’ catapult event that we do not have a date for yet. This is not the same as the biblically detailed and clear day of the Messiah’s coming or the 120th Jubilee Wedding Feast. Only the evil were/will be taken away, and cleared from our beautiful heritage of the Earth, while we observe from the level of the clouds. God will be cleaning up the Earth and taking away the evil trash for us. We have seen that many times before in recent years as we maintained our blessed prayers.

Matt 24.37 –

*“As it was in the days of Noah,
so it will be at the coming of the Son of Man.”*

So shall we be safely united to the Lord Messiah Yashuah while the evil ones are taken out to cleanse the world.

The righteous, like Noah, will harvest the inheritance of earth with the Messiah then, and abide in the restored 'reign of peace'. The Bible clearly states this.

Proverbs 10:30 –

*“The righteous will never be uprooted,
but the wicked will not remain in the land.”*

Just as the Lord removes evil ones from our homes and presence for us! All glory and praise and blessing to our Mighty God, who we love and ADORE. This prayer manual is for those who are faithful to the Real Light of God, the Messiah exploding into our delightful lives, despite the horrors of fleeing we see/saw in the world about us.

The Moon phases offer further points as two witnesses for confirmations to us. The sun and the moon become ecliptic witnesses, 'watching' and moving for all to see at the time and as further signs to strengthen and stimulate our prayers.

The sign of the New Moon at the Feast of Trumpets is when the sign will be seen of the biblically named holy dead in God will rise up to the level of the clouds to be with the Messiah and the 'shoulder-to-shoulder servant' Messiahs (according to the Books of Thessalonians) – over the 2 week period.

We have found some amazing dates of these eclipse witnesses for our interest, which coincided with our studies. I note these here only for strengthening interest – AS THEY WILL NOT CONCERN US. The family of the bride and groom in Hebrew weddings go away before the date to get all plans agreed upon. So our “call waiting” is to the princes and princesses of the family of the Messiah Prince of Peace to be involved before this date of the Wedding Feast of the 120th Jubilee and leave the rest of the evil ones to God.

Eclipses have been revealed by study to be harbingers of alerts to Mankind.

- 2016, September 1 - Solar Eclipse
- 2016, September 15 - Lunar Eclipse Signs from God
- 2016, October 2 - Solar Eclipse (Day before Trumpets Day)

When we look again at the Calendar charts for the Exodus 'meal'/manna week then Rosh Hashanah, or Trumpets, can only occur on Monday, Tuesday, Wednesday, Thursday, or a Saturday.

So Trumpets Day is a 48 hour period and Monday and Tuesday are the only possible 48 hours, and will occur on Monday, October 3, 2016 when we can faithfully expect to see the 'holy dead' rising before the gaze of mankind with crescendos of Heavenly praise to help our uplifting praise focus.

On White, or Atonement, Day in 5778 will occur on October 12, 2016/17 as the "Immaculate Hearts" united in perfect Oneness with the Sacred Messiah's Heart in readiness for the 'Wedding Feast' of the Sukkot on October 17th. There is that blessedly foretold date again. Alleluia! Yippy Yahweh!

The Last Great Day, which we celebrate annually, will be truly a Great Day at last.

Watch and hold fast, and be ready, for the Lords' coming will not be a surprise to us, for we are connected to the invitation call from God as the 'shoulder-to-shoulder' link-up of hearts of immaculate love's channels.

Rev 3.3 –

*"Remember, therefore, what you have received and heard;
hold it fast, and repent. But if you do not wake up,
I will come like a thief,
and you will not know at what time I will come to you."*

Conclusion

These blessed prayers, and the accompanying ebook called “Gaze a Moment” signs and scriptures, have been the mainstay of my prayer life to adore the Living Presence of God. They have also become the divine path that God has lead me on to find the many biblical secret codes hidden in the Bible for us, the people of these amazing final days of history. We are blessed to be born for these times and live through the tribulations. We are the obedient righteous Sabbathers, so we can expect clear instructions in our life time. If you are not sure of your righteous standing then do some genuine repenting, forgiving and Sabbath keeping. Then ask Yahushua Jesus Christ to be King of your heart. In the Heart of God then, our hearts all become ‘immaculate’ prophet partner to the Sacred Heart of the Messiah.

2 Timothy 3.16

*“All scriptures are given by inspiration by God
and is profitable for doctrine, for reproof,
for correction, for instruction in righteousness.”*

Amos 3.7

*“The Sovereign Lord does nothing
without revealing his plan to his servants,
the prophets.”*

We are born for these times to pray and rejoice in the perfect timing of God being revealed for the Earth folks. God has given us these biblical prayers of praise to magnify the movement of the Light of the Divine Spirit in us.

We are the Light of God’s Spirit within. God’s Spirit is prayerfully obedient to the request that the people of God will be Sabbath-keepers as their covenant-movement. God’s Spirit gave us Yahushuah Jesus Christ as our guide and Messiah to be united with in adoring joys of prayer and lifestyle movements.

Be immaculately united to the Sacred Heart of God through the Messiah chosen for us in Yahushuah Christ (Jesus). See you in the arms of God. **With a joyful heart.**
